Synopsis:

The National States Rights Party (NSRP) continues to publish "The Thunderbolt," self-described as the "Official White Racial Organ" of this organization. Dr. EDWARD R. FIELDS, Information Director of the NSRP and Editor of "The Thunderbolt" continues to reside at [REDACTED] Alabama. [REDACTED] has indicated he is planning to move from his present residence in the near future. He has advised he desired to buy a house outside the City of Birmingham, but still reside in Jefferson County. The NSRP's National Headquarters is located at 1865 Bessemer Road, Birmingham. Information has been developed that the NSRP has obtained a meeting hall in Ensley section of Birmingham, Alabama. On 3-31-64, source furnished a copy of a leaflet entitled "The Way," Issue #1, dated March, 1964, which is self-described as the official publication of the Alabama State Division of the NSRP. Leaflet reflected the Editor to be JERRY DUTTON and further reflected JAMES R. McDANIEL, JR., as the State Director of NSRP in Alabama, conducting business through P. O. Box 8399, Ensley Station, Birmingham, Alabama. Source has advised the Alabama State Division of the NSRP will probably utilize Ensley meeting hall for conducting its meetings. On 2-15-64, USDJ CLARENCE W. ALLGOOD dismissed all counts of an indictment returned by a Federal Grand Jury at Birmingham during September 1963. This indictment had charged seven NSRP members with obstructing justice in connection with court-ordered desegregation of three public schools in Birmingham during September, 1963.

Judge ALLGOOD stated that there existed "fundamental deficiencies" in the wording of the indictment as a reason for its dismissal. He stated, however, there was sufficient "probable cause" to hold the defendants in this matter under bond pending further Grand Jury action. The Federal Grand Jury is expected to convene in Birmingham during August 1964. Additional information concerning NSRP activities in Alabama set out as well as NSRP activity in states of New York and Pennsylvania. Information concerning NSRP Presidential Nominating Convention held at Louisville, Kentucky, 2-29-64-3-1-64 set out. AN INFORMANT HAS ADVISED THAT

It is noted that Issue #57 of "The Thunderbolt,"
dated March, 1964, was the first issue to reflect THORNTON
to be Associate Editor of this paper. Previous issues reflected
the Associate Editor to be JAMES K. WARNER.

Issue #54 of "The Thunderbolt" for November, 1963, carries a headline: "Kennedy Keeps Mistress" on Page 1. The article following the headline is basically the same type of story that had appeared in Issue #51 of May, 1963. The story appearing in Issue #54 alleges that the late President Kennedy was guilty of adultery while a U. S. Senator in Washington, D. C., in 1958. The article, which is based on the allegations concerning the late President originally made by Mrs. LEONARD KATER, 2723 Dumbarton Avenue, Northwest, Washington, D. C.; names the late President's mistress as Miss PAMELA TURNURE, Mrs. JACQUELINE KENNEDY's Press Secretary.

Pages 2, 3, 4, 5, and 8, contain additional stories and articles allegedly pertaining to this allegation.

Page 9 of this issue contained articles attacking people of Jewish ancestry and contained such sub-captions as, "Communism is Jewish." This page continued with derogatory comments of the Jews by setting forth what purportedly were reprints of articles from unidentified newspaper clippings. These alleged reprints bear such titles as, "Jew In High Council of Communist Poland" and "Rabbis Abroad Ask Release of Sobell."

Page 10 of this issue contains what was alleged to be Chapter 16 of "The International Jew" by Henry Ford, founder of the Ford Motor Company.

Issue #55 of "The Thunderbolt" dated January, 1964, on Page 1 carries a main headline, "Jews Involved in Assassination." The main theme of this article alleges that the late President was assassinated by the "Communist-Jewish Conspiracy." Page 1 also contains an "Exclusive" story entitled, "Admiral Crommelin Tells Why Kennedy Was Assassinated." This story claims to be obtained through an interview of CROMMELIN by the Editor of "The Thunderbolt." In this story CORMMELIN list five reasons why "Kennedy was Assassinated by the Communist-Jewish Conspiracy." Among the reasons given, CROMMELIN includes, (1) the late President's anti-Castro speech and (2) his "continued foreign aid to Nasser to Egypt in defiance of the Jews."

In line with the overall story regarding the assassination, Page 2 contained a headline, "Why Not Investigate Fair Play For Cuba Committee?"

The Communist Party, USA and its affiliates have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Page 2 also contained an article entitled, "President Johnson's Daughter to Marry Jew In Synagogue." This article stated that LYNDIA B. JOHNSON's fiancée, BERNARD ROSENBAUM of Compton, Texas, is a Jew and that they plan to be married in the future by a Rabbi.

Pages 3 and 3 contained articles and photographs condemning "race-mixing." These photographs showed "race-mixing" involving such people as MARLON BRANDO, Hollywood Movie Actor and HAVEN ROOSEVELT, grandson of Former President FRANKLIN D. ROOSEVELT.

Page 5 of this issue contained articles vilifying people of Jewish ancestry under a main headline of "Jews In the News." The article also contained a sub-caption, "There is No Anti-Semitism in Russia." These series of articles alleged that Jews are being urged to help Negroes seek freedom and alleged that Communists and Jews are closely connected.

Pages 6 and 7 of this issue contained what alleged to be Chapter 17 of "The International Jew" by Henry Ford, founder of the Ford Motor Company.

Pages 8 and 9 contained derogatory articles and comments criticizing the FBI and its Director, JOHN EDGAR HOOVER for his speech allegedly made on December 4, 1963, at the Washington Hebrew Congregation concerning the danger of the Right-Wing elements.

Page 10 carried a headline, "Defeat Bobby Kennedy's Wire Tap Bill." Appearing under this headline was what alleged to be a reprint from "Teamster" Magazine. The article was highly critical of the Attorney General's stand on "wire tap" legislation.

Issue #56 of "The Thunderbolt" dated February, 1964, is self-described as a special four page edition and contained articles regarding MATT MURPHY, NSRP attorney at Birmingham, Alabama, and articles dealing with the indictment returned by a Federal Grand Jury at Birmingham against seven NSRP members. More detailed accounts of the pertinent articles are mentioned hereafter in this report.

Issue #57 of "The Thunderbolt," dated March, 1964, carried a main headline, "Defeat Civil Rights Bill."

The main themes of this issue centered around reasons why the proposed present Civil Rights Bill must be defeated and also contained articles and photographs concerning the NSRP Presidential Nominating Convention, which took place at the Sheraton Hotel in Louisville, Kentucky, February 29, 1964 - March 1, 1964.

Page 1 of this issue contained articles concerning the above-mentioned Civil Rights Bill and also contained an article, "John Kasper Has Fought and Suffered For The Rights of White People." This article contained a thumbnail sketch of KASPER along with a photograph of KASPER.

Page 1 of this issue also contained an article entitled "Ruby Attacks Thunderbolt." This article alleged that on March 1 (1964) in Dallas, Texas, Attorney MELVIN BELLI charged that the circulation of "The Thunderbolt" in that city was depriving JACK RUBY of receiving a fair trial.

Pages 2 and 3 of this issue continues with criticism of the proposed Civil Rights Bill under a headline, "Civil Rights Is Communism."

Page 4 of this issue under a headline, "Jews in The News," contained articles highly critical of people of Jewish ancestry.

Page 5 of this issue contained articles stating the NSRP's policy with regard to ROBERT WELCH and JOHN BIRCH Society.

Under a title "Robert Welch attacks NSRP" and sub-captioned "Dr. Fields to File Million Dollar Suit," "The Thunderbolt" in this article reflected that the February issue of "American Opinion," which is alleged to be published by ROBERT WELCH, contained "one of the most vicious attacks printed against Dr. Edward R. Fields and National States Rights Party."

Also on this page is an article entitled "NSRP Policy Statement on Robert Welch." This article advises that "The National States Rights Party has always subscribed to the plan there should be peace and friendship with all other Right-Wing organizations but entangling alliances with none."

The article continued to stated and alleged that since the "American Opinion" Magazine carried a story derogatory of the NSRP, "The Thunderbolt" was compelled to answer these "blatant lies with the truth." The article continued: "There are those who would have us maintain this policy of friendship with other patriotic leaders and Right-Wing organizations regardless of the attitude of these organizations toward us. ✓ We must declare, however, that when the leader of another organization publicly flaunts his hostility toward us and attempts to destroy us through the use of the most shameless, false, and libelous smear, then the time for 'peace and friendship' has come to an end."

Pages 6 and 7 of this issue contained articles and photographs of the above-mentioned NSRP Presidential Nominating Convention at Louisville, Kentucky, during February 29, 1964 - March 1, 1964. ✓ These articles indicated that JOHN KASPER had been selected as the NSRP Presidential nominee and that J. B. STONER, NSRP Attorney, Atlanta, Georgia, had been selected as the party's Vice-Presidential nominee.

Pages 8 and 9 of this issue contained what alleged to be a chapter of "The International Jew," by Henry Ford of the Ford Motor Company. The chapter number was not indicated in this issue.

Page 9 of this issue contained an article and photographs condemning inter-racial marriages and carried such

BR 105-477

titles as "Inter-racial Dating Will Destroy the White Race," and "Socializing With Negroes Leads to Mixed Marriages."

Page 10 of this issue contained articles which alleged to be articles reproduced for the "Jacksonville Chronicle." These articles contained highly critical comments against the FBI and its investigation of racial situations in the Jacksonville, Florida, area.

NSRP ACTIVITY IN NEW YORK

Issue #55 of "The Thunderbolt" dated January, 1964, on Page 12, carried an article entitled: "Extremist Held In Rights Office Brick Tossing." This article appeared to be a reprint from an unidentified newspaper clipping.

This article reflected that a WILLIAM H. HOFF, 277 Warren Street, Brooklyn, New York, New York State NSRP Director, was arrested by police in New York City for throwing a brick at the Brooklyn Office of the State Commission for Human Rights. The article further stated that an unidentified woman passerby said she saw HOFF throw the brick through a plate glass window of the Human Rights Commissioner's Office, 118 Court Street, Brooklyn, New York, at 1:45 a.m.

This undated article stated that HUFF was subsequently charged with malicious mischief and was subsequently to appear in Brooklyn Criminal Court.

NSRP ACTIVITY IN PENNSYLVANIA

On April 6, 1964, [] was contacted and interviewed by SA's [] in connection with another matter. During this interview, [] mentioned that he was planning to move from his present residence in the near future. He said that he owns the property where he now resides and added that he desired to buy a house outside the City of Birmingham, but still reside in Jefferson County.

The "Birmingham Post-Herald", a Birmingham newspaper, on Page 5 of its Final Edition for October 10, 1963, carried an article captioned, "U S On 2 Sides In Edward Fields Case." This article was datelined "Washington 10/9" and related that "at the request of the U. S. Supreme Court, the Justice Department has entered as a friend of the Court in a case where FIELDS was convicted of contempt of court." The article continued by stating, "...the Justice Dept. contends that a Jefferson County (Alabama) court erred in convicting FIELDS on contempt in connection with a National States Rights Party meeting set for October 11, 1961 in Fairfield (Alabama)." The article continued by stating that the Jefferson County Circuit Court had issued an order forbidding the above referenced meeting and added that the Alabama Supreme Court had upheld the verdict. The article further stated that the U. S. Justice Department was challenging the constitutionality of the City Code of Fairfield, Alabama, under which the Circuit Court order was issued.

OPEN-AIR RALLIES OF THE NSRP

The below listed open-air rally sponsored by the NSRP was held as follows:

<u>Date of Meeting</u>	<u>Place of Meeting</u>	<u>Approx. Number</u>	<u>Date Info. Furnished</u>	<u>Informant</u>
10-19-63	Mt. Olive, Ala.	200-300	10-20-63	[REDACTED]

On October 20, 1963, [REDACTED] advised that JERRY DUTTON and J. B. STONER were the main speakers at this rally. [REDACTED] advised that in his speech, J. B. STONER made several comments vilifying the FBI and its Director, J. EDGAR HOOVER, and had accused the FBI of bombing the 16th Street Baptist Church on September 15, 1963.

"The Birmingham News," a local Birmingham newspaper, in the Late Final Edition for October 20, 1963, on Page B-4, carried an article entitled, "FBI Bombed Church, Says Rally Speaker." This article refers to the speech made by STONER at the NSRP-sponsored open-air meeting at Mt. Olive, Alabama, on October 19, 1963, and refers to the remarks made by STONER as reflected above.

On April 16, 1964, [REDACTED] advised that there has been no other open-air rallies sponsored by the NSRP since the above referred to rally at Mt. Olive, Alabama.

On April 6, 1964, during the course of the interview with [REDACTED] as mentioned before, [REDACTED] stated that there has been very little open activity on the part of the NSRP since mid-October, 1963, with regard to mass meetings in the Birmingham area. He added that the bombing of the 16th Street Baptist Church at Birmingham on September 15, 1963, had made people in Birmingham reluctant to attend any mass meetings for fear of a possible occurrence of violence.

"The Birmingham News" in its Red Star Final Edition of October 17, 1963, on Page 42, contained an article captioned, "Segregationist Placed on Probation." This article was dated Tuscaloosa, Alabama, October 17, 1963. The article reflected that JAMES K. WARNER had been placed on one year probation on an appeal of an original charge of "Trespass after Warning." WARNER

was ordered to pay court costs by Circuit Judge RUBEN WRIGHT. The article further stated that WARNER had been originally arrested on March 26, 1963, at the University of Alabama, Tuscaloosa, Alabama, where he had appeared to protest the appearance of Mr. ARTHUR J. DEAN. This article further advised that D. W. SKIDMORE, Tuscaloosa City Attorney, advised that WARNER would serve the original sentence of 180 days in jail and a fine of \$100.00 plus costs if he should violate his probation.

Issue No. 55 of "The Thunderbolt" dated November, 1963, on Pages 6 and 7, contained an article entitled, "Birmingham Rises Up Against Mixing." This article contains photographs and stories dealing with NSRP demonstrations in connection with the desegregation of the three public schools in Birmingham on September 4, 1963.

Page 7 of this issue contained what alleged to be a newspaper clipping (identity of newspaper not shown) entitled, "Keep Bars Up, Alabama Racists Ask" and datelined Montgomery, Alabama (UPI). This article reflects that a 100-car motorcade headed by the NSRP appeared at the offices of Alabama's Governor GEORGE C. WALLACE at Montgomery, Alabama, during late August, 1963. The NSRP presented to the Governor's representatives, petitions allegedly bearing 30,000 names urging Governor WALLACE to close any Birmingham area schools which would be desegregated.

Photographs of this incident reflect that Dr. EDWARD R. FIELDS, JAMES K. WARNER and JAMES O. MURRAY were among the NSRP members present.

Page 8 of this issue contained articles entitled such as: "Dr. FIELD Sues B'ham News for \$1,000,000." These articles claimed that a libel suit had been filed for \$1 million against "The Birmingham News" and DAVID LAWRENCE of "U. S. News and World Report." FIELDS charged in this article that the newspaper and LAWRENCE contributed to deprive him of his "good name and reputation." The articles reflect that the suit cites a portion of LAWRENCE's column, written and published in "The Birmingham News," September 25, 1963, suggesting that there was need for the House Committee on Un-American Activities to investigate the NSRP to determine if the NSRP received funds from foreign nations.

Page 8 of this issue contained articles entitled such as: "NSRP Youth Leader - Jerry Dutton Has FBI Arrested."

BH 105-477

These articles reflected that two FBI Agents were subsequently arrested by the Birmingham Police Department for Trespass after Warning after they had appeared at NSRP headquarters on October 30, 1963. The articles stated that DUTTON had sworn out warrants for the FBI Agents for the above charge.

It is to be noted that on October 30, 1963, [redacted] was arrested by the Birmingham Police Department at NSRP headquarters on a charge of supplying a false report to that police department. [redacted] had telephoned the Birmingham Police Department when the two FBI Agents had appeared at NSRP headquarters, after learning of their true identity. In this telephone call [redacted] charged that the two agents were "communists" and desired them to be arrested. It is noted that [redacted] was subsequently found guilty of the charge of supplying false information and received a fine of \$50.00 plus costs and 60-day suspended sentence. The case was appealed on December 5, 1963.

On November 13, 1963, [redacted] swore out two warrants for the two FBI Agents who had attempted to interview [redacted] at NSRP headquarters. These warrants were obtained from the Jefferson County Clerk's Office, Birmingham, Alabama, and charged these agents with Trespass after Warning and Disorderly Conduct.

On December 2, 1963, motions were filed by the U. S. Attorney, Northern District of Alabama, Birmingham, Alabama, to have these charges transferred from local court into Federal Court.

On December 2, 1963, [redacted] U. S. Attorney's Office, Northern District of Alabama, advised that the petition on the motions to have this case transferred to Federal Court was granted and approved on December 2, 1963. She further advised that no date had been set at that time for any hearing or trial in this matter.

On April 16, 1964, [redacted] stated that this matter is still pending and no date has been set for any hearing or trial.

On December 16, 1963, [redacted] advised that he believed [redacted] had located a meeting place in the Ensley section of Birmingham, Alabama, to hold NSRP meetings [redacted]

[REDACTED]
hall.

On April 15, 1964, [REDACTED] advised that the NSRP plans to begin to hold meetings in this hall sometime during late April or early May, 1964.

Issue No. 56 of "The Thunderbolt" on page one contained an article entitled, "Matt H. Murphy, Jr. to Defend States Righters." This article reflects that MURPHY, a Birmingham attorney, would represent the seven members of the NSRP who were among eight individuals all together indicted by the Federal Grand Jury at Birmingham, Alabama, during September, 1963, for obstructing of justice in connection with the court-ordered desegregation of three public schools in Birmingham, Alabama, during September, 1963. The article continued by setting out what alleged to be the referred to indictment and reflected the defendants as: EDWARD R. FIELDS, GERALD Q. DUTTON, JESSE B. STONER, JAMES K. WARNER, BARNEY M. CARMACK, JR., and RALPH LEWANDOWSKI.

Page 2 of this issue contained an article entitled, "States Righters Plead 'Not Guilty'." This article stated that motions were filed by MATT MURPHY in U. S. District Court to have the above indictment dismissed. The article continued what alleged to be these motions.

It is to be noted that on February 15, 1964, U. S. District Judge CLARENCE W. ALLGOOD, on motion of the defendants in this matter, dismissed all counts of the above referred to indictment, charging the defendants with forcibly obstructing court-ordered desegregation in Birmingham and ordered the charges to be resubmitted to the next Federal Grand Jury. The Federal Grand Jury is expected to convene in Birmingham, Alabama during August, 1964.

Judge ALLGOOD stated that there existed "fundamental deficiencies" in the wording of the indictment as a reason for its dismissal. He stated, however, that there was sufficient "probable cause" to hold the defendants involved in this matter under bond pending further Grand Jury action. Judge ALLGOOD

The article stated "Two members of the Kennedy familh in the U. S. Senate are more than this nation can stand." It stated that ROBERT KENNEDY needed to be defeated once and for all and that if ROBERT KENNEDY should win his current race for the U. S. Senate, he would control the big New York delegation to the Democratic Convention and would run for President in either four or eight years.

On Page 9 of Issue #61 is set forth an article captioned, "Segregationist Lawyer Charges Civil Rights Act Is a Red Law." The article reflected that J. B. STONER described as a lawyer for the NSRP, who was from Atlanta, Georgia, had been the principal speaker at a meeting in St. Louis, Missouri, recently. STONER, according to the article, stated that the Civil Rights Act of 1964 was a Communist law designed to destroy the white race and establish a federal

police state. The article also stated that STONER had told the meeting of about eighty-five persons, which had been held at 3223 Osceola Street, St. Louis, Missouri, that the only way to get law and order was for white people to run this country and that both political parties, including the Republican Party, had "sold us down the river."

The article also stated that ALLEN O. KERN, 2135 Edmund Avenue, Hillsdale, Missouri, had identified himself to a reporter as the State Chairman of the NSRP. The article indicated that KERN had taken an active part in the above mentioned meeting in which J. B. STONER was the principal speaker.

An article written under the above mentioned captions opposed the passage of a new immigration bill reportedly being sponsored by a New York Congressman EMANUEL CELLER. The article ended by stating, "Let's Keep Asiatics Out of America" and urged that all readers make certain that their Congressman tells how he stands on future immigration legislation before he secures the readers vote.

Page 15 of Issue #61 of "The Thunderbolt" contains a caption, "Jews Freeze Out Gentile Musicians." Under this heading is an article captioned, "Jew Monopoly Freezes Non-Jews Out Of Entertainment Field" and another article appears under a caption, "Jews Control All Three TV Networks."

[] also stated that Attorney (J. B.) STONER from Atlanta, Georgia, was in Jacksonville, Florida, at the present time representing some person in a legal matter and that STONER had not been notified of the above-mentioned split, but that [] STONER would remain with the National States Rights Party.

On August 14, 1964, Birmingham Confidential Informant [] made available a one-page leaflet captioned "Important Notice!" This leaflet reads as follows;

"To all N.S.R.P. Members and supporters. Two former members of NATIONAL STATES RIGHTS PARTY have formed their own group and are calling it the American States Rights Party. They also have copies our symbol the Thunderbolt, as well as our name. We want it thoroughly understood that there is absolutely NO connection between the two names. All splinter groups which have ever left the N.S.R.P. in the past have failed. Operating from a post office box, also in Birmingham, this rump group of about 5 people will spread confusion and disunity by their plagiarizing our name and symbol. All loyal NATIONAL STATES RIGHTS PARTY people should ignore these disruptors and continue backing 'America's Largest Third Party,' the NATIONAL STATES RIGHTS PARTY. Dont let their slightly changed name fool you - continue, as before, to send all memberships, subscriptions, orders and contributions to P.O. BOX 783, BIRMINGHAM, ALA. On August 24, 1964, Birmingham Confidential Informant [] made available a leaflet captioned, "A Party not a Publication." This leaflet reads in part as follows:

"On April 28, 1964, Jerry Dutton, National Youth Leader, Robert, Bowling, National Co-Ordinator, Jim Thornton, Associate Editor of the Thunderbolt, Albert Deshazo, Georgia organizer, and many local members resigned from their positions in the NSRP in protest of the defeatist policies of Dr. Edward R. Fields. Many more resignations are expected at the release of this letter. It has been almost seven years since the founding of the NSRP. In the course of these years the party has grown very little while the party publication The Thunderbolt has grown to 16 pages. Although since the resignation of the party organizers only one edition of the 16 page Thunderbolt has been published. This was the 'May-June' edition. In a letter sent out by Fields last week, money was asked to finance a 'July-August' edition. Lack of funds at this time of year indicates that the people have lost faith in Dr. Fields. The Summer months are the best months for a political party for organizing and fund raising. A political party must have funds to grow and expand. But if the money sent to a political party is not used correctly it will never become a power. While a political party must have a publication, the purpose of the publication is to enlighten the people to basic truths and doctrine. No party in history has ever published its way to power. Today the national leadership of the NSRP consists of Ned Dupes, 'National Chairman', who is a figurehead for Fields and Dr. Fields who has ultimate control of all finances and who makes all

decisions accordingly. At no time in the history of the NSRP has any national officer resigned and formed an independent organization. Fields letter states that all attempts in the past have failed, actually no attempts have been made. We shall not fail! We are growing daily by leaps and bounds. We are the party which Fields complained about in the letter. We have formed the AMERICAN STATES' RIGHTS PARTY. Funds from loyal party members have launched our publication, the WHITE AMERICAN."

On the morning of September 29, 1964, Birmingham Confidential Informant [] advised that he had just learned that GEORGE LINCOLN ROCKWELL was then in Birmingham, Alabama,

The BIRMINGHAM POST-HERALD, a daily newspaper at Birmingham, in its September 30, 1964, edition, on page 3, carried an article captioned, "Rockwell Sues Fields." This article stated that GEORGE LINCOLN ROCKWELL, described as the head of the American Nazi Party, filed a \$550,000 libel suit in the Federal Court in Birmingham on September 29, 1964, against EDWARD R. FIELDS of Birmingham, the Information Director of the NSRP.

The article continued by stating that Mr. ROCKWELL, a resident of Arlington, Virginia, claimed in his complaint that FIELDS had for more than two years "engaged in a continuing conspiracy" to "ruin" him. It was stated that ROCKWELL had remarked that he took the action "with great regret", because, at one time, he and FIELDS worked together. ROCKWELL was also quoted as stating "He (FIELDS) used to believe in HITLER and everything that I do." The article further stated that attached to ROCKWELL's complaint, which had been filed in the U. S. District Court, was a copy of a letter signed by FIELDS addressed to a man (name not mentioned) in North Carolina, in which FIELDS stated ROCKWELL had misused \$6,600 from the man.

BH 105-477

A characterization of the American Nazi Party is being set out in the appendix of this report.

On September 30, 1964, Birmingham Confidential Informant [redacted] advised that GEORGE LINCOLN ROCKWELL had

[redacted] departed for Atlanta, Georgia, in order to fulfill a speaking engagement, the details of which were not known to informant.

[redacted] the complaint filed by the plaintiff in this matter charged the defendants with conspiracy and libel and that defendants' motion to dismiss set forth numerous grounds, in substance, as follows:

1. That the complaint did not state a cause of action.

2. That the complaint was vague, uncertain, indefinite and did not state sufficient facts to inform the defendants of the nature and cause of the complaint.
3. That the complaint was illegal and void.
4. That the complaint did not state any injury to the plaintiff. b2 b7D
5. That the facts stated in the complaint were a conclusion on the part of the plaintiff.
6. That the complaint did not show by what authority the plaintiff filed the complaint and, in fact, failed to show that the plaintiff had proper authority to file the complaint in this matter.
7. That the complaint was equivocal and ambiguous and did not, as a whole, nor any part of its paragraphs or counts, show cause of action against the defendants.
8. That the allegations in the complaint were so uncertain and indefinite that the defendants did not know what they were called on to defend and that the plaintiff's damages were not set out to any degree of certainty or particularity.

[redacted] the plaintiff in the above-mentioned matter, filed motions to strike defendants' motion to dismiss and as grounds therefore, in substance, stated as follows:

1. The whole pleading filed by the defendants was in gross violation of the Federal Rules of Civil Procedure, in that (a) it was redundant and repititious and would prevent speedy and expeditious adjudication of the

matter; (b) the paragraphs were out of order and improper in the defendants' pleading, in that they were not allowed as grounds as the motion to dismiss at that stage of the proceedings; and (c) the defendants' pleadings were not "concise, simple and direct."

b2

2. That the defendants' pleading was without merit, was long and prolix, and appeared designed to harass, delay and interfere with the expeditious administration of justice in this case.

Informant stated that [redacted]
[redacted]

On October 21, 1964, Birmingham Confidential Informant [redacted] as follows:

A public meeting sponsored by National States Rights Party was held at Anniston, Alabama, on the night of October 20, 1964, which lasted approximately two hours. It was announced meetings would be held at the same location on the nights of October 21 through 24, 1964. The audience, consisting of occupants of approximately 25 vehicles, remained in their cars because of the cold weather. Numerous teenagers and grammar school children moved around the parked cars.

During the meeting there were three speakers. The first speaker was [redacted] who denounced the local Anniston Human Relations Council, a bi-racial group, claiming Anniston had sold out to the Negroes and was controlled by the Jews and white Negroes.

The second speaker was J. B. Stoner, Attorney from Atlanta, Georgia, who claimed to be a NSRP leader.

BH 105-477

Stoner's speech implied hate toward the Negro. Degrading remarks about the mental ability of the Negro were made and he claimed "the only good ones were dead ones." Stoner said the only way to respond to Negro demonstrations was for an equal number of white people to also demonstrate in a like manner in the immediate vicinity using banners and signs advocating segregation. Stoner strongly denounced the Federal Bureau of Investigation. Stoner also recommended that any employer currently employing Negroes should immediately fire the Negroes and replace them with white employees.

b6

The third speaker was [redacted] Florida, who summarized remarks previously made by [redacted] and Stoner. [redacted] also pointed out the fact the new Civil Rights Act of 1964 was directly in violation of the Constitution.

[redacted] also appeared to possess the ability to thoroughly arouse an audience into possible mob action in the manner of his speaking.

The audience did not appear to respond by other than slightly scattered applause.

Membership to NSRP at \$5.00 per member, which included subscription to twelve copies of "The Thunderbolt," official publication of NSRP, was offered to the audience. Only three persons were observed to respond to this offer of membership.

No violence was suggested by the speakers and primarily the crowd consisted of persons over middle age and curiosity seeking teenagers.

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely; first "to make ourselves known to the masses"; second "the dissemination of our program and the truth about the party"; third "organizing the people who have been converted to our propaganda"; and fourth "the attainment of power through the votes of the newly-won masses."

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party, with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue Number 54, dated November, 1963, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

On December 12, 1963 a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

RACIAL MATTERS

Synopsis:

In October, 1964, several NSRP rallies were held near Covington, Ky., in connection with NSRP presidential and vice-presidential candidates being on the Kentucky ballot in the 11/3/64 general election. Attendance estimated as varying from approximately 20 to 70 individuals per rally. Comments of the Kentucky presidential electors for NSRP as reported in Louisville, Ky., news article of 10/21/64 reflected the electors generally indicated support for Republican Presidential Candidate BARRY GOLDWATER rather than NSRP Candidate JOHN KASPER. A 11/5/64 Louisville, Ky., news article reported that NSRP Presidential Candidate KASPER received 3,133 votes out of a total of 1,039,377 votes casts in Kentucky during the 11/3/64 election.

LS 105-271

A news article in the October 8, 1964, issue of the Kentucky Post and Times Star, a daily Cincinnati, Ohio, newspaper, reported that J. B. STONER, an Atlanta, Georgia lawyer and the vice-presidential candidate of the NSRP, was the principal speaker at a campaign rally for JOHN KASPER in Kenton County on October 7, 1964. J. B. STONER and [] each spoke, the speeches starting at about 8:15 p.m. and terminating at about 9:15 p.m. The speaker's platform was a truck bed. STONER [] expressed hate for former President KENNEDY, President JOHNSON, the Federal Bureau of Investigation, and other public officials, alleging they were controlled by the Communists. They further said that because of race mixing the white race is being mongrelized. During the rally, confederate flags were sold at 75 cents each and confederate license plates at \$1.00 each. Approximately ten or twelve vehicles were parked in the lot and a number of vehicles were parked outside the lot. [] estimated the number of people who listened to the speeches at the rally at approximately 60.

On October 10, 1964, [] advised that during a NSRP white man's rally held in the above described lot near Covington, Kentucky, on October 9, 1964, J. B. STONER and [] spoke in about the same vain they had spoken on October 7, 1964. At the October 9, 1964, rally approximately 17 vehicles containing from one to four persons each were in attendance. Again confederate flags and license plates were sold and the rally lasted from about 8:00 p.m. to 9:00 p.m.

On October 14, 1964, Assistant Kenton County, Kentucky Police Chief [] advised he and other members of his department had observed NSRP rallies held near Covington, Kentucky, on the evenings of October 7 through 10, 1964. He said these rallies were held in a vacant lot at

LS 105-271

the intersection of 3L Highway and Horsebranch Road in Kenton County, Kentucky. The meeting on October 7, 1964, had both press and television coverage but the meetings of October 8, 9, and 10, 1964, were covered by one reporter for the Kentucky Post and Times Star Newspaper of Cincinnati, Ohio. J. B. STONER was the principal speaker at the meetings and his main theme was dislike of the Negro, the Jew, President JOHNSON and other Federal officials. Assistant Chief [] said that there were no inflammatory incidents or activities that took place during or in connection with the rallies. J. B. STONER was driving a 1957 Cadillac bearing 1964 California license []. During the period of the rallies, J. B. STONER and [] resided at the Kenton Manor Motel, Erlanger, Kentucky.

Chief [] estimated that attendance at the above rallies varied from about 20 to 70 individuals. He said that the following Kentucky automobile licenses determined to be registered as shown were noted during the meetings:

An article in the October 21, 1964, issue of the Louisville Times, a daily Louisville, Kentucky newspaper, headed "Ultra-Segregationists Here Say They're For Goldwater, Not Kasper", reported that a news reporter had attempted to contact the 9 National States Rights Party Kentucky Presidential Elector candidates with the following results:

Four said they planned to support GOLDWATER. A fifth, who said he didn't know he was a candidate for elector, said while he had not made up his mind, he would not vote for President JOHNSON and might support candidate GOLDWATER. A sixth said he "would like to vote for" KASPER. The remaining three could not be reached. The article reported that MILLARD D. GRUBBS, described as a Spokesman for the NSRP, said that the NSRP got on the Kentucky ballot before it was known who the Republican nominee for president would be; that now States Rights backers will support GOLDWATER. "GOLDWATER is the best

LS 105-271

man who's run for president in the last 50 years," stated GRUBBS. According to the article, other candidates for presidential electors stated as follows:

Mrs. ZELLA C. RIEDLING, 1508 South First, Louisville, Kentucky, said GOLDWATER would "vote for the white people and not the colored."

WALTER H. MULLIKIN, 2580 East Burnett, Louisville, Kentucky, said GOLDWATER is "just about what we want."

THOMAS T. DEASON, SR., 2909 West Main Street, Louisville, Kentucky, also supported GOLDWATER, according to the news article.

WILLIAM F. HAAS, 509 Gernert Court, Louisville, Kentucky, told the news reporter he didn't know he was an elector. HAAS said "if I didn't vote for the States Rights Party, I'd vote for GOLDWATER".

b6
b7c

Dr. HAROLD RAY MARSH, Owensboro, Kentucky, stated he "would like to vote for" KASPER.

The news article further reported that the remaining presidential electors, JOHN T. GOVER, 115 North Bayly, Louisville, Kentucky; Reverend W. M. NEVINS, Lexington, Kentucky, and BARNEY M. ROSS, Route 2, Walton, Kentucky, could not be reached for comments.

The indices of the Louisville Division of the Federal Bureau of Investigation contain no pertinent information concerning [REDACTED]

[REDACTED] With respect to the other elector candidates mentioned in the news article the following may be noted:

MILLARD D. GRUBBS

A source has advised that MILLARD DEE GRUBBS of Louisville, Kentucky, is bitterly opposed to integration. However, GRUBBS

maintains he is against the use of violence in opposing integration and claims to remain strictly within the law in his efforts to promote segregation. MILLARD DEE GRUBBS is reported to have been born on August 7, 1888, in Christian County, Kentucky. In April, 1954, MILLARD GRUBBS advised an Agent of the Federal Bureau of Investigation that he was disbarred as an attorney in Kentucky in 1929 when the Bar Association of Hopkinsville, Christian County, Kentucky, accepted a report of the Bar Association Committee stating GRUBBS was in contempt of court in filing derogatory affidavits against a circuit judge and court reporter. On October 14, 1958, MILLARD GRUBBS advised an Agent of the Federal Bureau of Investigation that he was the President of the Citizens Councils of Kentucky, Inc. (CCKI).

The articles of Incorporation of the CCKI are filed in the office of the Jefferson County Court Clerk's Office, Incorporation Book 94. A stamp reflects the Articles were filed with the Secretary of State of Kentucky on May 25, 1956. The principal office of the Corporation is designated as 1427 South 6th Street, Louisville, Kentucky, and MILLARD GRUBBS is designated as permanent Chairman of the Board of Directors for life, to be succeeded by the "next oldest and best qualified of the incorporators". The purposes of the organization are stated to be the protection or preservation of historical Southern customs, opposing attacks on social and political institutions, to protect the American Way of Life and reveal to the public the true aims of Communism.

On September 12, 1960, a source advised that GRUBBS was making an effort to get the National Law Enforcement Committee (NLEC) on an operating basis, and GRUBBS claimed to be national chairman of this committee. On September 12, 1960, this source advised that according to GRUBBS the purpose of NLEC is to defend the Constitution of the United States which is in GRUBBS' belief being violated by some individuals, particularly in connection with integration matters. The source said that an undated letter on the letterhead of the NLEC from GRUBBS, identifying him as "National Chairman" to "State Chairman" included the following information:

The National Law Enforcement Committee is being established "to consolidate the overwhelming power of patriotic groups and all loyal citizens of the United States in a drive to bring to trial the bloated and blood strained arch traitors and conspiring criminals who control purse, politics, press and presidents, who think they are above the laws and beyond the reach of its punishment. It is impossible to exaggerate the dignity and deadly necessity for its work. It was President LINCOLN who said: 'We will not overthrow the Constitution, but we will overthrow the traitors who subvert it.' The foregoing statement expresses our determination precisely... We will not bring to trial some poor and trembling delinquent, whose weakness and insignificance when weighed against the array of power behind the prosecution, gives even public justice, something of the appearance of oppression. Our law will be far different. We will arrest

and bring to Bar, when law and facts demand it, the top traitors to our Republic...the crimes of which we accuse them will be from passions it is criminal to harbor - crimes which have their roots in treason, bribery, sedition, perjury, blackmail, and treachery of almost every kind and description. Those we arrest will be charged with crimes which manifest an inveterate blackness of heart, dyed in the grain with malice vitiated and corrupted and gangrened to the very core - crimes which the breast of mankind was made to abhor, and all laws both divine and human were made to interdict".

WALTER H. MULLIKIN

On July 27, 1960, a source furnished a copy of a NSRP petition to have the names of Governor ORVILLE FAUBUS of Little Rock, Arkansas, and Admiral JOHN G. CROMMELIN of Welumpha, Alabama, as Presidential and Vice-Presidential candidates printed on the ballot of the State of Kentucky to be used at the general election on November 8, 1960. Among candidates for presidential electors shown on this petition was WALTER H. MULLIKIN, 2580 East Burnett, Louisville, Kentucky.

A letter of NLEC dated at Louisville, Kentucky, on March 8, 1963, identified WALTER H. MULLIKIN as County Chairman of the NLEC.

WILLIAM F. HAAS

On July 27, 1960, a source furnished a copy of a NSRP petition to have the names of Governor ORVILLE FAUBUS of Little Rock, Arkansas, and Admiral JOHN G. CROMMELIN of Welumpha, Alabama, as Presidential and Vice-Presidential candidates printed on

Among candidates for presidential electors shown on this petition was Reverend W. M. NEVINS, 51 Mentelle Park, Lexington, Kentucky.

On September 20, 1959, a source advised that Reverend W. M. NEVINS, described as a retired Baptist Minister of Lexington, Kentucky, approximately 85 years of age, had arranged for EDWARD FIELDS of the NSRP to appear before a group in Lexington on September 20, 1959, to explain the functions of the NSRP and urge support for it.

Information copies of this letter are being furnished to the San Diego and San Francisco Offices in view of the fact that information of interest concerning captioned group and its activity in the State of California is set forth herein.

"The Thunderbolt," the official publication of the NSRP, in its current Issue #63, dated December-January, 1965, on Page 5, carried a heading "NSRP ACTION NEWS." Under this heading is a sub-heading "CALIFORNIA." Under this sub-heading is an article which reads as follows:

[Handwritten signature]
"Mr. Ron Eddy, NSRP Calif., chairman reports that he is making steady progress in getting NSRP activity underway again in his state after about a years lapse. His recent collection for organizational work amounted to \$131.00. This is still not enough to buy a first class mimeograph machine, which is desperately needed to again begin local state publication of "The Attack." A Party Unit almost cannot exist without such tools. Lets all do what we can to back up Mr. Eddy and perhaps some loyal Patriot can donate a good used machine to him. Attorney J. B. Stoner should be out in Calif., by the end of February to help Mr. Eddy organize meetings and establish a Calif., Headquarters for the NSRP.

Private Armies--- 'Threat to State'

By Earl C. Behrens
Political Editor

Sacramento

Attorney General Thomas C. Lynch told the Legislature yesterday that paramilitary organizations "constitute a threat to the peace and security of the State."

Lynch included the Minutemen, the Black Muslims, the American Nazi party, the California Rangers and the National States Rights party.

"These groups embrace violent racial and political doctrines," he said. "They have lost faith in our system of government."

"They continually plot armed activity while skirting outright sedition."

CURB

A special meeting of the Senate Judiciary Committee tonight will consider a bill by Senator J. Eugene McAteer (Dem-S.F.) banning paramilitary organizations. It was introduced at the request of Lynch.

The bill would make it a misdemeanor for two or more persons, other than members of the State militia or members of certain organizations acting with the express consent of the Governor or the Adjutant General, "to assemble as a paramilitary organization for the purpose of practicing with weapons or receiving or giving instructions in the use of weapons."

Violation would carry im-

prisonment for not more than one year or a fine of not more than \$1000, or both.

In his 80-page report, Lynch said the Minutemen's organization has an "unrealistic" goal of 20,000 members in California.

But he added "there is an ominous note in the goal to become 'indestructible' through either 'normal police methods' or 'conventional military tactics.'"

He said every Minuteman is required to have a rifle and the extreme rightwing organization "is designed to function as a secret underground network."

MUSLIMS

The Attorney General said the Black Muslims combine "religious fervor with race hatred in generating fanaticism in the most extreme degree."

"The potential danger presented by these fanatics is clearly manifest."

"California law enforcement agencies," said Lynch, "have received reports of Muslim rifle clubs and of shooting matches participated in by Muslims."

"There have also been reports of a military-type

training program conducted for the Fruit of Islam members. Reports of this nature are a continuing source of concern to the law enforcement agencies of this State."

Lynch said the American Nazi Party has few members in California, but seeks to draw attention to itself by injecting members into demonstrations.

KLAN

He declared the leaders of California Rangers "have intimate connections with the Ku Klux Klan, the National States Rights Party, the Christian Defense League and the Church of Jesus Christ-Christians."

He said the organization is designed as a secret underground guerrilla force, yet it is linked with other non-military organizations by a common ideology and leadership.

The National States Rights Party, he reported, has conducted activities in connection with the Negro civil rights movement in the South. He said the organization probably is "more potentially dangerous than any of the American Nazi groups" and is now attempting to attract members in California.

Curb on 'Private Armies'?

By JACK WELTER
Examiner Capitol Bureau

SACRAMENTO — The existence of hate-mongering para-military organizations represents a disturbing and genuine menace to California's peace and security, Atty. Gen. Thomas C. Lynch declared in a 79 page report made public yesterday.

The report went to all members of the Senate Judiciary Committee on the eve of tonight's hearing on San Francisco Senator Eugene McAteer's bill to outlaw "private armies."

It dealt in detail with the background and activities of five organizations — the American Nazi Party, the California Rangers, the National States Rights Party, the Minutemen and the Black Muslims:

Lynch commented:

"The report clearly shows the threat to peace and security of our state which is posed by the existence of these groups. They embrace violent racial and political doctrines. They have lost faith in our system of government. They continually plot armed activity while skirting outright sedition."

Lynch and staff members who infiltrated some groups are scheduled to testify on behalf of the bill, introduced at Lynch's request, and McAteer anticipated leaders of some of the groups will appear in opposition.

SECRET ARSENAL

Warning against laughing off the American Nazis as "ludicrous and politically insignificant," the report noted "almost as much so were the antics of Adolf Schickelgruber (Hitler) and his fellows in the Germany of the 1920's."

Lynch quoted a 1963 State Senate un-American Activities Committee report that the NSRP is "more potentially dangerous than any of the American Nazi groups."

The report said the Ku Klux Klan associations of both the NSRP and the California Rangers are well-established and noted that a Rangers leader has purchased more than 100 concealable firearms in the past few years and maintains a firing range on his Kern County ranch, "as well as a reported secret arsenal."

OTHER GROUPS

The Minutemen, it continued, presents a fantastic situation of a private citizen raising his own army "to accomplish by violence whatever objective the citizen decides in his judgment is best for the country."

"Such a military force is best for the country."

"Such a military force is improperly labeled guerillas; the more proper term is insurgents," the report said.

(B) Charter Information

On November 26, 1957, Birmingham Confidential Informant [] advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, Birmingham Confidential Informant [] advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

BH 105-477

Issue No. 60, dated July-August, 1964, reflects the mailing address of the NSRP is still Post Office Box 783, Birmingham, Alabama.

On September 21, 1964, [] advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who "runs the NSRP."

(C) Objectives

By letter dated December 1, 1963, at West Fork, Arkansas, [] advised the Little Rock Office of the FBI that she deplored the tragedy of the assassination of President KENNEDY, but objected to the "slant" of news media in soft-pedaling the Communist connections of OSWALD. She also took exception to the inference given by news media that the "right-wing" was involved. She enclosed a one page document which she stated contained what the NSRP stood for. This information is set out below:

"Dear Patriot:

"We of the National States Rights Party believe in the Christian heritage of our people, the White Race and the Nation which the White Man created out of the wilderness of this continent. We believe in the principles laid down by our forefathers in the United States Constitution and in the Bill of Rights contained therein. We believe in preserving the Race of our forefathers which built civilizations out of jungles and which gave art, culture, inventions, freedom and justice to the entire world.

"We will not allow the blood of our people to be polluted with that of black, yellow or mongrel peoples. We know that only the pure White race can preserve America and the freedom handed down to us by our ancestors.

BH 105-477

"All that is patriotic, good, clean, and decent springs forth from the foundations of our White folk. These high standards of living do not, and cannot, exist in the non-White backward areas of the world, except where the White man maintains a foothold of control.

"Therefore, we dedicate our lives and fortunes to the expansion and goals of the National States Rights Party. We feel that only through a political movement can we unite our people and bring the government back into the hands of the White Christian majority.

"We dedicate ourselves to the task of saving America and the White Race and the preservation of the pure blood of our forefathers, so that all future generations which come after us will be born as White children with a creative intelligence that will strengthen our civilized influence over the world for the good of all mankind. Therefore, we join together for these honorable purposes as outlined in our Constitution and By-Laws of the National States Rights Party.

"We struggle for --- Race, Nation, Faith!

"PREAMBLE to Constitution and By-Laws

In July 1963, Birmingham Confidential Informant

[REDACTED]

On June 8, 1959, Birmingham Confidential Informant [REDACTED] made available a copy of the "Platform of the National States Rights Party," which he had received from [REDACTED]

[REDACTED] The platform reads as follows:

"RACIAL POLICY

- "1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
- "2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
- "3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
- "4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.
- "5. We believe that segregation should be restored in the nation's armed forces, to rebuild morals and fighting efficiency.
- "6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
- "7. We demand a policy of non-interference in the cultural affairs of other races.
- "8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
- "9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.
- "10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.

- "11. We believe that immigration should be restricted to select White individuals.
- "12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

"ECONOMIC POLICY

- "1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team placing the greater good of our White Folk Community above any individual or group interest.
- "2. We approve of labor unions, run by honest White men and free of subversive influence.
- "3. We believe that the farmer should get a fair price for his produce in a free market.
- "4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.
- "5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.
- "6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.
- "7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.
- "8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

"SOCIAL POLICY

- "1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.
- "2. We favor creation of proper outlets for the White Youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.
- "3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.
- "4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.
- "5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

"STATES' RIGHTS POLICY

- "1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.
- "2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.
- "3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.
- "4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.

- "5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.
- "6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

"FOREIGN POLICY

- "1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White man faces.
- "2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.
- "3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.
- "4. We demand an end to the policy of foreign giveaways.
- "5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

"WHITE MEN UNITE!"

* * * * *

The October 1958 issue of "The Thunderbolt" attached a copy of the "States' Rights Manifesto" adopted by the NSRP in convention, August 30, 1958. The Manifesto reads as follows:

"We hereby manifest that the Supreme Court has no jurisdiction over the public schools of the Sovereign States and therefore its infamous opinion that they should be integrated is null and void.

"Whereas the 14th Amendment (upon which said decision was based) was never legally ratified by the States, and therefore does not legally exist, - therefore cannot be enforced upon the people by the tyrannical courts.

"Whereas Eisenhower has signed into law a Civil Rights Bill which in part repeals his right to use troops in Civil Rights disputes, and since only Congress has the power to make law and provide for its enforcement, it is therefore illegal for said court to make law, and for the President to try and enforce it with bayonets.

"Be it therefore resolved and made known that -

- 1) All States Righters, in accordance with Amendment two of the U. S. Constitution, That ' - the right of the people to keep and bare arms shall not be infringed.' should therefore arm themselves so that they will be able to defend their families, homes and rights from political despots who are inciting violence on our once peaceful communities.
- 2) That all citizens form committees of Public Safety, or support the Citizens National Law Enforcement Commission, to prevent any Federal Judge, Federal Marshal, or other appointed agent from disrupting the peace of any community, or breaking any state laws, by following the communist directive to mix the races, and bring on public anarchy.

"BE IT THEREFORE RESOLVED, that the States nullify said illegal decisions, and that Committees of Public Safety, or the Citizens National Law Enforcement Commission, make citizens arrests of all those who seek to illegally overthrow the Rights of the States.

This is in accordance with the U.S. Constitution, the grounds being that these subvertors have committed high treason by 'Giving aid and comfort to the enemy,' by helping the communists mix the races, and that they are inciting riots, disturbing the peace and guilty of disorderly conduct.

BH 105-477

"All these charges should be brought by citizens, who themselves, can make the arrests, and book said criminals in accordance with provisions in the U. S. Constitution.

"VIGILANCE IS THE PRICE OF LIBERTY
STOP SUPREME COURT TREASON - ARREST THE TRAITORS - JOIN NSRP"

On August 25, 1959, [] advised that the Citizens National Law Enforcement Commission is an organization created by MILLARD GRUBBS, and appeared to be strictly a paper organization.

MILLARD DEE GRUBBS, 1427 South 6th Street, Louisville, Kentucky, has advised Agents of the Louisville Office of the FBI that he is Chairman of the Citizens Councils of Kentucky, Inc.

The November, 1958, issue of "The Thunderbolt" contained a copy of a press release, October 17, 1958, reportedly by EDNA COWAN, National Vice Chairman of the NSRP, claiming the NSRP "is opposed to violence of any kind. We condemn recent bombings of schools and synagogues." The release also maintained the innocence of CHESTER GRIFFIN, GEORGE BRIGHT, and WALLACE ALLEN, who were then held in Atlanta, Georgia, in connection with the bombing of a Jewish synagogue there on October 12, 1958. This issue also states that this press release was given to both United Press and Associated Press, but both services "refused to send it out on orders from someone higher up. In other words, the Jews can make any charge they please against our people and we are not supposed to defend ourselves."

On August 14, 1964, Birmingham Confidential Informant [] made available a one-page leaflet, captioned "Important Notice!" This leaflet reads as follows:

"To all N.S.R.P. Members and Supporters. Two former members of NATIONAL STATES RIGHTS PARTY have formed their own group and are calling it the American States Rights Party. They also have copied our symbol the Thunderbolt, as well as our name. We want it thoroughly understood that there is absolutely NO connection between the two names. All splinter groups which have ever left the N.S.R.P. in the past have failed. Operating from a post office box, also in Birmingham, this rump group of about 5 people will spread confusion and disunity by their plagiarizing our name and symbol. All loyal NATIONAL STATES RIGHTS PARTY people should ignore these disruptors and continue backing "America's Largest Third Party," the NATIONAL STATES RIGHTS PARTY. Don't let their slightly changed name fool you - continue, as before, to send all memberships, subscriptions, orders, and contributions to P. O. BOX 783, BIRMINGHAM, ALA. Do not be confused, we are the ONE and ONLY ---

NATIONAL STATES RIGHTS PARTY

On Page 8 of Issue #61 of "The Thunderbolt" is an article captioned, "Chicago." This article stated that the "Party" rally had been held at the St. Claire Hotel, with Mr. RAY SCHULTZ acting as the master of ceremonies, and that J. B. STONER had been the principal speaker. The rally was described as Chicago's "most patriotic rally of 1964", and stated that the NSRP chapter in Illinois would separate into two chapters when the membership climbed above 25 in the one chapter then in existence.

On February 7, 1964, Birmingham Confidential Informant [] advised that a meeting was called under the name of the NSRP at about 8:15 P.M., on February 6, 1964, at Chicago, Illinois. The meeting was chaired by one [] and was held at the Europa House, 2125 West Roscoe Street, Chicago. [] stated that Dr. EDWARD R. FIELDS, of Birmingham, Alabama, was the only speaker of the evening, and the meeting was obviously called to stimulate reactivation of the NSRP in Chicago.

[] also stated that about sixty persons attended this meeting, and that it was obvious that all the persons in attendance were not NSRP members, as quite a number of memberships were solicited during the evening. The gathering was entirely peaceful.

Issue #58 of "The Thunderbolt", on Page 11, under the heading, "Illinois," was an article stating that the Chicago unit of the NSRP was holding a series of meetings in the Chicago area, according to "State Director MICHAEL LANDIS."

Issue #66, dated April, 1965, of "The Thunderbolt," on Page 8, carried a heading "Important Chicago Announcement." This article reflected that FRED R. MAHONY, Illinois State Secretary, reported that monthly meetings were then being held at a "more secure location", due to the fact that a "recent meeting" of the NSRP had been cancelled at the last moment. This article stated that neighborhood chapters were then being organized in Chicago, and that active supporters should write: "NSRP of Chicago, P. O. Box 665, Chicago 80, Illinois."

INDIANA

On Page 8 of Issue #61 of "The Thunderbolt" was set out an article under a heading "Knightstown, Indiana." This article stated that MARVIS L. BROWN, described as Chairman of the Indiana State Central Committee, held an NSRP rally in the City Community Building, Knightstown, where he, J. B. STONER, and Ohio State Organizer R. D. ELDRIDGE were the principal speakers. The article also stated that Mr. BROWN operated a truck stop and restaurant outside Knightstown and used its facilities as Party Headquarters in Indiana.

KENTUCKY

On Page 1 of Issue #58 of "The Thunderbolt" was an article captioned, "Victory in Kentucky." This article stated that the NSRP was the only third party to qualify for a place on the 1964 Kentucky ballot. It was stated that the NSRP "Loyal Petition Workers" collected well over the required number of signatures in record time, and that the petitions were filed at the State Capital in Frankfort, on March 30 (1964) by a delegation of local citizens. The article also stated that NSRP Vice Presidential Candidate, J. B. STONER, and JIM THORNTON, the Associate Editor of "The Thunderbolt", were present for the filing ceremony.

On October 7, 1964, Birmingham Confidential Informant [redacted] advised that J. B. STONER of Atlanta, Georgia, and [redacted] described as an individual who organized the white resistance in St. Augustine, Florida, in the summer of 1964, would speak at an NSRP "White Man's Rally" to be held near Covington, Kentucky, on October 7, 1964.

A news article in the October 8, 1964, issue of the Kentucky Post and Times Star, a daily newspaper of Cincinnati, Ohio, reported that J. B. STONER, an Atlanta, Georgia, lawyer, and the vice-presidential candidate of the NSRP, was the principal speaker at a campaign rally for JOHN KASPER, in Kenton County, on October 7, 1964. The article noted that the rally drew "a handful of onlookers."

On October 8, 1964, [] advised the following with respect to the October 7, 1964, rally held near Covington, Kentucky:

J. B. STONER and [] each spoke, the speeches starting at about 8:15 P.M., and terminating at about 9:15 P.M. The speaker's platform was a truck bed. STONER [] expressed hate for former President KENNEDY, President JOHNSON, the Federal Bureau of Investigation, and other public officials, alleging they were controlled by the Communists. They further said that because of race mixing, the white race is being mongrelized. During the rally, confederate flags were sold at 75 cents each and confederate license plates at \$1.00 each. Approximately ten or twelve vehicles were parked in the lot, and a number of vehicles were parked outside the lot. [] estimated the number of people who listened to the speeches at the rally at approximately sixty.

On October 10, 1964, [] advised that during an NSRP white man's rally held in the above described lot near Covington, Kentucky, on October 9, 1964, J. B. STONER and [] spoke in about the same vain they had spoken on October 7, 1964. At the October 9, 1964, rally, approximately seventeen vehicles containing from one to four persons each were in attendance. Again confederate flags and license plates were sold, and the rally lasted from about 8:00 P.M. to 9:00 P.M.

On October 14, 1964, Assistant Kenton County, Kentucky, Police Chief [] advised he and other members of his department had observed NSRP rallies held near Covington, Kentucky, on the evenings of October 7 through 10, 1964. He said these rallies were held in a vacant lot at the intersection of 3L Highway and Horsebranch Road in Kenton County, Kentucky. The meeting on October 7, 1964, had both press and television coverage but the meetings of October 8, 9, and 10, 1964, were covered by one reporter for the Kentucky Post and Times Star Newspaper of Cincinnati, Ohio. J. B. STONER was the principal speaker at the meetings, and his main theme was dislike of the Negro, the Jew, President Johnson, and other Federal officials. Assistant Chief [] said that there were no inflammatory incidents or activities that took place during

or in connection with the rallies. J. B. STONER was driving a 1957 Cadillac, bearing 1964 California license [redacted]. During the period of the rallies, J. B. STONER [redacted] resided at the Kenton Manor Motel, Erlanger, Kentucky.

Chief [redacted] estimated that attendance at the above rallies varies from about 20 to 70 individuals.

[redacted] On March 4, 1964, Birmingham Confidential Informant furnished a written report which reads in part as follows:

On March 1, 1964, the NSRP had a national party convention in Louisville, Kentucky.

This meeting was not particularly well attended in numbers but about twenty-five states were represented by delegates.

Prior to the General Convention, on Saturday, February 29, in Rooms 530-532 of the Sheraton Hotel, there were two meetings held. The first was a meeting of national officers and security personnel. [redacted] had stated this meeting apparently consisted of approximately the same thing as in the second meeting later described. [redacted] is on the NSRP Security Force.)

Later in the day, at approximately 7:30 P.M., a second meeting consisting of national officers, state chairmen, and security officers took place.

Attending this meeting were Dr. EDWARD R. FIELDS, Attorney J. B. STONER [redacted] a man identified by Mr. STONER [redacted] and about twenty more unknown men and women.

On March 2, 1964, [redacted] advised in part as follows:

During the weekend of February 29 - March 1, 1964, the NSRP had their Presidential Nomination Convention at the Sheraton Hotel, Louisville, Kentucky.

BH 105-477

On Saturday, February 29, 1964, just prior to the General Convention, which was held on March 1, 1964, there were two meetings held in two rooms on the fifth floor of this hotel. The first meeting took place during the early evening, at approximately 7:00 P.M. These meetings were attended by national officers and officers from the various states.

Dr. EDWARD R. FIELDS, NSRP Information Director; NED DUPES, NSRP Chairman; J. B. STONER, NSRP Attorney from Atlanta, Georgia [redacted] and approximately two dozen more unknown men and women also attended these meetings.

It is believed that during the course of the second meeting, plans were discussed concerning the NSRP nominees for the offices of President and Vice President of the United States.

At approximately 10:45 A.M., on Sunday, March 1, 1964, the General Convention started in a ball room at the Sheraton Hotel. Approximately 150 people were in attendance. Dr. FIELDS acted as Master of Ceremonies, and in such capacity introduced the various speakers.

Although this was a General Convention, admittance was only permitted by exhibiting NSRP membership cards.

The program started with the Allegiance to the Flag, after which [redacted] gave the opening address. [redacted] spoke on the increasing growth of the NSRP, as well as the party's attitude about the Federal Government, along with derogatory comments concerning Jews and their connections with Communism. [redacted] also stated that "States Rights" was the only right way for people to stand up for their rights.

It was noted that Dr. FIELDS [redacted]

seated at the speakers' table.

LOUISIANA

On November 6, 1964, [redacted] New Orleans, Louisiana, advised Special Agent [redacted] FBI, that the NSRP was at that time still active in the New Orleans area in a limited degree. He stated they have held no meetings for well over a year, and the sole activity at that time was limited to supporting candidates for election of other parties who they felt best represented their own principles of States Rights. [redacted] also stated that he was a member of the NSRP, but declined to identify other members or officials of the organization.

[redacted] further stated that he was [redacted] of the NSRP in Louisiana, but declined to furnish any additional information concerning the organization.

This article indicated that it had been written by a member of the staff of "The Sun", a daily newspaper of Baltimore, Maryland, for Friday morning, June 26, 1964. The article stated that ROBERT S. TAYLOR, who reportedly had described himself as the President of the Princess Anne Chapter of the NSRP, described as a "white supremacist group", with headquarters in Birmingham, Alabama, had turned down an invitation to speak before the Princess Anne Bi-Racial Committee. The article indicated that TAYLOR had refused on June 25, the opportunity to talk about ways to solve that town's racial problems.

MISSOURI

On Page 3 of Issue #61 of "The Thunderbolt" is an article headed "States Rights Aid Asks Fire-Negro Plank for Party." This article bore a dateline of September 1, (1964) at St. Louis, Missouri, and reflected that J. B. STONER, described as an attorney for the NSRP, on the previous night had spoken to 50 persons at a meeting held in St. Louis. It was stated that STONER then advocated a "fire your Negro" plank in the Party's anti-minorities program. The article also stated that STONER recommended that all white businessmen employing Negroes fire them immediately and hire white workers instead.

Page 8 of Issue #61 under a heading "St. Louis", was an article which stated that the NSRP was forging ahead in Missouri, under the leadership of ALLEN O. KERN, DAVID MC KINNEY, and BILL FLORI. This article also stated that two rallies had been held in St. Louis, and that J. B. STONER had spoken at those rallies while visiting there.

On Page 10 of Issue #61 was an article captioned "State Righters Aiming at 1966 Missouri Race." The article stated that the NSRP would attempt to run candidates for state and local offices in Missouri in 1966 according to remarks made by J. B. STONER of Atlanta, Georgia, an attorney for NSRP. STONER's remarks, according to the article, had been made at a rally of the St. Louis Unit of the NSRP, held at the new Lyon Hall, 3137 South Jefferson Avenue. This article described ALLEN O. KERN as Chairman of the NSRP in Missouri, and stated that KERN resided at 2135 Edmund Avenue, in Hillsdale.

On February 11, 1964, Birmingham Confidential Informant [] advised that a meeting of the NSRP was held at the Baptist Temple, 4249 Gibson Avenue, St. Louis, Missouri, on February 10, 1964, and that approximately 40 persons attended; that Dr. EDWARD R. FIELDS, National Information Director of the NSRP, was introduced and that he spoke on NSRP's efforts to get a chapter started in St. Louis, and to get members to start obtaining signatures on petitions so that a candidate of the NSRP could be placed on the ballot in the coming elections.

BH 105-477

Source said FIELDS castigated various races and stated that Jews were the root of all evil in the United States, and that in regard to Negroes, they have remained unadvanced in the jungles of Africa, and only the white race has advanced itself and contributed to civilization. Source advised that FIELDS stated that the purpose of the NSRP is to become a potent third political party in the United States, with enough power to be asked for support by the Democrats or Republicans, and to thereby get some of its own members in high political office; that FIELDS stated that the NSRP would hold its convention in Louisville, Kentucky, on March 1, 1964, to select candidates to run in coming elections.

[redacted] said Dr. FIELDS introduced an individual named [redacted] as the NSRP [redacted] spoke on organizing the white people in St. Louis to oppose the expanding Negro population invasion; that another speaker named [redacted] also spoke and identified himself as [redacted] of St. Louis, and asked for support in repealing the Public Accommodations Law recently passed by the Board of Aldermen of St. Louis. Source stated that apparently many individuals in attendance were not members of the NSRP, because subscriptions to "The Thunderbolt", the official publication of the NSRP, and membership cards were solicited by several men after the meeting concluded. Source said that a plate was also passed at the conclusion of the meeting for voluntary contributions.

On February 21, 1964, [redacted] advised that FIELDS addressed a group of approximately 40 persons at the Old St. Louis Temple, 4249 Gibson Avenue, St. Louis, Missouri, at 8:00 P.M. on February 10, 1964; that he started by introducing [redacted] who had accompanied him from [redacted] and that he stated he had recently addressed a rally in Chicago, Illinois. Source stated that after tracing the founding of the NSRP since 1958, FIELDS appealed for the formation of an NSRP chapter in St. Louis and urged circulation of petitions to enable candidates of NSRP to be placed on the ballot in coming elections; that approximately 20 to 23 states were to be covered in this manner. Source stated it was noted that a banner of the NSRP with a thunderbolt picture thereon was on the speaker's platform at this meeting and some of the persons present wore armbands with like insignia thereon. Source stated purpose of the meeting apparently was a possible organization of a chapter of NSRP in St. Louis, and the circularization of petitions to place candidates of NSRP on the ballot in coming elections.

FIELDS was quoted as saying, "Negroes haven't gone beyond the ape stage." According to the article, FIELDS also stated that the greatest threats to our Christian Constitution today are the Civil Rights Bill, the U. S. Supreme Court ruling on legislative reapportionment districting, and the proposed changes in the immigration law.

The article indicated that the local group was citing results of the May 5 primary election, in which WILLIAM H. INGRAM, JR., staunchly opposed to civil rights legislation, received 8,047 votes in his bid for democratic nomination for Ohio House. The article stated that although INGRAM ran last among the nine candidates campaigning for the five nominations, IRVING THACKER, State Coordinator for the NSRP, pointed out that he drew about 40% as many votes as the candidate who headed the ticket.

The article stated that the Russian Medical Exhibit at the Civic Center had been forced to take down its Communist Flag, and the city rescinded its order for all public school children to attend. Another article reflected that NSRP pickets had maintained continuous demonstrations against the USSR Communist Exhibits in Cincinnati, Ohio, and Page 9 carried two photographs of such picketing.

PENNSYLVANIA

Page 11 of Issue #58 of "The Thunderbolt" carried a photograph and article of NSRP Pennsylvania Organizer GILBERT PAQUETTE, as previously set out under heading of NSRP activity in New York.

Page 10 of Issue #59 of "The Thunderbolt" carried a heading "Congratulations to Gil Paquette For Below Publicity In." Below this heading were two articles. One article was captioned, "Philadelphia Inquirer," a daily newspaper of Philadelphia, Pennsylvania. This article stated that the NSRP was working with other groups in an attempt to get other candidates on the Pennsylvania ballots according to GIL PAQUETTE. The article stated that the local unit of the NSRP, according to PAQUETTE, operated from P. O. Box 36, Folcroft, (Pennsylvania), and P. O. Box 65, Pottstown, (Pennsylvania).

PAQUETTE was the Pennsylvania Organizer for the NSRP which was billing itself as "America's Largest Third Party." It was also stated that the NSRP had established a chapter in Folcroft, and was starting one in Pottstown.

This article stated that on April 15 (1964) the Associated Press had carried out one of the most libelous smear assaults ever made against JOHN KASPER. The article stated that when KASPER received the nomination of the NSRP for its candidate for President of the United States, pressure had been greatly increased to frame him, and the article allegedly set out facts tending to try to show the alleged frame up.

"Page 4 of Issue #60 carried a heading, "Nat'l Chmn. Dupes Defines Pharisee and Anti-Semitic." Below this heading is an article reportedly giving definitions in that regard as given by NSRP National Chairman NED DUPES of Knoxville, Tenn.

FINANCES

The Birmingham Post Herald, a daily newspaper of Birmingham, Alabama, in its Final Edition for October 22, 1963, carried an article reflecting that the NSRP then had three paid employees, according to records on file with the Clerk in the U. S. House of Representatives. The article stated that a financial report had been filed by EDWARD FIELDS, as required quarterly of political parties. It was stated that FIELDS was paid \$450.00 a month, according to records, from January, 1963, through June, 1963. It was stated that another paid employee was JAMES K. WARNER, whose salary was \$225.00 in January, \$155.00 in February, \$225.00 in March, and \$250.00 monthly in April, May, and June. It was stated that JERRY DUTTON had been paid from \$40.00 to \$160.00 a month.

FIELDS, according to the article, did not give the source of the party's money, and his report stated that for the first three months of the year, there were no large contributions received. He reported receiving \$7,691.25 for the first three months of the year, and \$10,936.76 for April, May, and June.

On April 29, 1964, [redacted] advised that he had received information from a highly confidential and reliable source to the effect that [redacted]

[redacted] from the NSRP. [redacted] furnished no additional information in this regard.

On August 24, 1964, Birmingham Confidential Informant [redacted] made available a leaflet captioned, "A Party not a Publication." This leaflet reads in part as follows:

"On April 28, 1964, Jerry Dutton, National Youth Leader, Robert Bowling, National Co-Ordinator, Jim Thornton, Associate Editor of the Thunderbolt, Albert Deshazo, Georgia organizer, and many local members resigned from their positions in the NSRP in protest of the defeatist policies of Dr. Edward R. Fields. Many more resignations are expected at the release of this letter. It has been almost seven years since the founding of the NSRP. In the course of these years the party has grown very little while the party publication The Thunderbolt has grown to 16 pages. Although since the resignation of the party organizers only one edition of the 16 page Thunderbolt has been published. This was the 'May-June' edition. In a letter sent out by Fields last week, money was asked to finance a 'July-August' edition. Lack of funds at this time of year indicates that the people have lost faith in Dr. Fields. The Summer months are the best months for a political party for organizing and fund raising. A political party must have funds to grow and expand. But if the money sent to a political party is not used correctly it will never become a power. While a political party must have a publication, the purpose of the publication is to enlighten the people to basic truths and doctrine. No party in history has ever published its way to power. Today the national leadership of the NSRP consists of Ned Dupes, 'National Chairman', who is a figurehead for Fields and Dr. Fields who has ultimate control of all finances and who makes all decisions accordingly. At no time in the history of the NSRP has any national officer resigned and formed an independent organization. Fields letter states that all attempts in the past have failed, actually no attempts have been made. We shall not fail! We are growing daily by leaps and bounds. We are the party which Fields complained about in the letter. We have formed the AMERICAN STATES' RIGHTS PARTY. Funds from loyal party members have launched our publication, the WHITE AMERICAN."

The Birmingham Post Herald, a daily newspaper of Birmingham, Alabama, in its Final Edition for November 19, 1964, on page 32, carried an article captioned "NSRP Spent \$32,662.58." This article was dated November 18 (1964) at Washington, D.C. The article reflected that "in this election year ~~when the Democratic and Republican parties~~ were each spending millions of dollars, the National States Rights Party, which is headquartered in Birmingham, Alabama, spent \$32,662.58.

The article continued by stating that the election returns "showed it, too," and went on to state that the party's candidate for president (of the United States), JOHN KASPER, "limped in a hopeless loser in the only two states where he was on the ballot, Kentucky and Arkansas." It was stated that reports on file with the clerk of the House of Representatives showed the National States Rights Party received contributions during the year of 1964 totaling \$30,540.21, and that they had spent \$32,662.58. It was further stated that a surplus from last year's operation had left the party \$1130.97 "in the black" as of five days before the election.

The article went on to state that major expenditures were reported for the operation of the Birmingham Headquarters, postage for mailing literature and purchase of right-wing books and other materials.

The article also stated that according to reports, there were only four contributions to the NSRP in the amount of \$100.00 or more. It was stated that the Federal Corrupt Practices Act requires individual listing of all contributions of \$100.00 or more and pointed out that the NSRP had listed only four so far during the year 1964, and that all of those had come from outside the state of Alabama.

"The Thunderbolt," the official publication of the NSRP, in its current Issue, #63, dated December-January, 1965, on Page 5, carried a heading "NSRP Action News." Under this heading is a sub-heading "California." Under this sub-heading is an article which reads as follows:

"Mr. Ron Eddy, NSRP Calif., chairman reports that he is making steady progress in getting NSRP activity underway again in his state after about a years lapse. His recent collection for organizational work amounted to \$131.00. This is still not enough to buy a first class mimeograph machine, which is desperately needed to again begin local state publication of 'The Attack.' A Party Unit almost cannot exist without such tools. Let's all do what we can to back up Mr. Eddy and perhaps some loyal Patriot can donate a good used machine to him. Attorney J. B. Stoner should be out in Calif., by the end of February to help Mr. Eddy organize meetings and establish a Calif., Headquarters for the NSRP."

Page 12 of Issue #66 of "The Thunderbolt," dated April, 1965, carries several ads in regard to prices and how certain items can be ordered from the NSRP, P. O. Box 783, Birmingham, Alabama. These ads show that "The Thunderbolt" is \$3.00 per year, and that special rates can be obtained for additional copies, such as ten copies for \$1.00, forty copies for \$3.00.

Another ad shows confederate flags, 5' X 3' in size, can be bought for \$5.00 each; confederate flags, 18" X 12", can be bought for \$.50 each; or a dozen flags for \$5.00; and confederate flags, 3½" X 5½" can be bought for one flag for \$.20, or seven flags for \$1.00.

Thunderbolt arm bands were advertised for \$1.50 each, and page 12 carries a listing of numerous books which the NSRP has for sale, such as "Know Your Enemy," \$.50 per copy; "Jewish Anti-Defamation League," \$.50 each; "The International Jew," \$3.00 each; etc.

PUBLICATIONS AND PROPAGANDA

Issue #66 of "The Thunderbolt," dated April, 1965, is self-described as the "official White Racial organ of the National States Rights Party." This issue stated this newspaper is published monthly, and the subscription rate is \$3.00 per year.

Issue #66 also reflects that Dr. EDWARD R. FIELDS continues to serve as Editor of "The Thunderbolt," and the mailing address is P. O. Box 783, Birmingham, Alabama, which is also the mailing address of the NSRP.

Issue #66 of "The Thunderbolt" continues with the NSRP's attacks on the U. S. Government, including the FBI, President Johnson, Jewish People, and Negroes.

Page 2 of Issue #66 carries an article headed "NSRP Gives 23 Grounds for LBJ's Impeachment," and in part reads as follows:

- "22. L.B.J. has a fanatical hatred for White people and is trying to destroy the White Race with a 2nd Reconstruction.
- "23. L.B.J. hates the United States Constitution.

Lyndon B. Johnson needs to be impeached now before our Nation is destroyed. We call upon all patriots to join us in petitioning Congress as a whole, and each individual Congressman, to impeach Johnson so that America can survive.

"National States Rights Party
National Headquarters
P. O. Box 783
Birmingham, Alabama."

Page 10 of Issue #66 also carries an article, "FBI Hides Faces." In part this article reads as follows:

"The FBI certainly has a lot to be ashamed of. They are coddling traitors and squandering the taxpayers' money by providing a baby-sitting service for every beatnik communist bum in the country who wants to come South to agitate peaceful communities. Always remember, you are not required to talk with FBI Agents, and have the perfect right to order them off your property, and have them arrested for trespassing if they refuse. The FBI has become the most dangerous secret police agency promoting race-mixing this nation has ever seen."

Page 12 of Issue #66 carries an ad showing copies of a book, the "Talmud Unmasked," which can be ordered from NSRP, Box 783, Birmingham, Alabama. This ad stated this book was an exact translation from Hebrew to English, proving "Jews hate Christ, Jews denounce Virgin Mary, Jews permitted by Rabbi to lie, steal and cheat Christians."

Page 5, Issue #66, of "The Thunderbolt" carried an article, "Race Mixing Destroyed Egypt." In part this article reads as follows:

"The great civilization of Egypt was produced by a people who showed no evidence of Negro blood, and a form of caste served for awhile to prevent intermarriage with the colored races. It is only natural that we find the first traces of negro blood in Southern Egypt where the people were nearest to the negro tribes of Africa. Blacks gradually filtered into Egypt, and the waging of war against the African tribes served to intensify racial contact. As racial contact continued, Egyptian history records what has certainly been proved to be the result of long continued contact - blood admixture.

"The large numbers of black women found in the harems of the rich, and even in the huts of the common people, quickly impaired the purity of the race, even among the upper classes of the nation, and the types began to resemble that of the negro tribes of Equatorial Africa."

Page 11 of Issue #65, dated March, 1965, of "The Thunderbolt," reflects that the NSRP membership initiation fee is \$8.00. This fee included a year's subscription to "The Thunderbolt," which subscription is \$3.00 per year.

Page 6 of Issue #65, dated March, 1965, of "The Thunderbolt," carries an editorial purportedly written by Dr. EDWARD R. FIELDS, which is captioned "We Want States Rights - Get the Federal Government Off Our Backs." The article stated the Federal Government had too much power, and the President was using the FBI, U. S. Marshals, and troops to enforce judicial edicts which could never have been passed by the elected members of Congress. The article continued by stating that we must work to remove Federal control from our daily lives.

It is noted that in addition to the publication of the monthly NSRP newspaper, "The Thunderbolt," during the past several years, the NSRP has offered for sale various pamphlets, books, and other literature setting forth similar information to that contained in "The Thunderbolt."

RE: NATIONAL STATES RIGHTS PARTY (NSRP)

A characterization of the NSRP is being set forth in the appendix to this communication.

On June 3, 1965, Birmingham Confidential Informant made available a two-page leaflet then being distributed by the NSRP in Birmingham, Alabama. This leaflet carried a photograph of J. B. Stoner, an attorney-at-law in Atlanta, Georgia, and reflected that Stoner would tour the West Coast of the United States. It also stated that the "NSRP Launches Vast Northwest Tour". The article also stated that Attorney J. B. Stoner, described as the Vice Chairman of the NSRP, would begin an important speaking tour of the far Northwest on June 4. It was also stated that Attorney Stoner would board a Delta Jet in Atlanta, Georgia, at 11:40 a.m., June 4 (1965) and would arrive in Vancouver, Canada, at 9:10 p.m., on June 4. Stoner, according to the article, would be greeted at the airport by David Stanley and other "Party" members and that Mr. Stanley had furnished information to the effect that at least 20 representatives of the press and TV would be on hand to interview Mr. Stoner. The object of Stoner's visit reportedly would be to lay plans to fight the Canadian Government's "cowardly attack" on "Freedom of The Press" when they banned "The Thunderbolt", the NSRP newspaper, from being mailed into Canada. The article stated that Attorney Stoner would register a "stern protest" against this "un-Constitutional action" with the Canadian Government. It also was stated that David Stanley had scheduled three "speakings" for Attorney Stoner, plus numerous interviews.

The article further stated that "from there (Canada)" Attorney Stoner would be driven by "local supporters" to Spokane, Washington. According to the article, Mike Cameron

RE: NATIONAL STATES RIGHTS PARTY (NSRP)

(NSRP Northwest co-ordinator) would sponsor Attorney Stoner who would speak to supporters in that area. According to the article, Mr. Cameron would bring local members to "this meeting from the Western parts of Montana." From Spokane, Washington, it was stated that Attorney Stoner would go to Seattle, Washington, where he would speak on June 11, 1965, and that he would then speak in Takoma, Washington, on June 12. From Takoma, he would go to Portland, Oregon, for a meeting on June 14, according to the article, and Stoner's "next visit" would be in San Francisco, California, where he would meet with "local Patriots" on June 16, 1965.

The leaflet in part reads as follows:

"REMEMBER FRANK L. BRITTON

Frank L. Britton was the Editor of "The American Nationalist", a well known right-wing publication during the 1950's. Mr. Britton has been in Folsom prison (in Calif.,) almost five years now on the insignificant charge of "attempting to bribe a police officer." The case began over a minor street infraction, which the court dismissed. It was then charged that Britton tried to give the arresting officer some money not to take him in. (This is like giving a policeman five dollars not to give you a traffic ticket.) Anyway, Frank L. Britton was given 1 yr to life as a result. Most men would be released within a few months on such a charge. BUT BRITTON HAS NOW BEEN IN FOLSOM MAXIMUM SECURITY PRISON FOR ALMOST FIVE YEARS, WITH NO RELEASE IN SIGHT. The last parole officer to review his case was a Negro, who turned Britton down. Armed robbers and other dangerous criminals have been released in much shorter time than what Britton has already served. Atty. Stoner will visit with Mr. Britton in prison on June 18th and we hope that arrangements can be made at that time for a new hearing. It is our goal to reopen this case in the federal courts. Atty. Stoner will handle the appeal. We will give you a more detailed report on this case when Mr. Stoner returns. From there Atty. Stoner will go to Los Angeles for a series of meetings. This is a stronghold for NSRP and Atty. Stoner hopes that a Headquarters can be opened in Southern Calif.

RE: NATIONAL STATES RIGHTS PARTY (NSRP)

San Bernardino and San Diego will be other stops during Atty. Stoner's trip. We feel that our Movement is needed more now in the West Coast than ever before. This entire tour will take about a month and a half. Atty. Stoner will be the guest of Mr. Robert F. Anderson while in Los Angeles. It is important that this speaking tour be a big success and we know that local supporters will do all in their power to see that it is. This is but a part of the over all national drive of NSRP. We plan more speakings and other action moves this Summer. To step up our program, we need your help!"

On June 3, 1965, [] advised that David Stanley, an NSRP member who is now reportedly in Canada, had taken part in NSRP activities concerning the racial situation in Birmingham, Alabama, during a part of 1963 and 1964.

A source, who has furnished reliable information in the past, advised that a meeting of the NSRP was held on June 23, 1965 at the Embassy Auditorium, 847 South Grand Avenue, Los Angeles, California. Outside the auditorium approximately twelve civil rights pickets marked in protest against this meeting.

The Los Angeles Police Department (LAPD), Central Division, advised that a few bags of water were thrown from the roof of the Embassy at the pickets, but there were no further incidents. No arrests were made.

The source advised that at this meeting of the NSRP there were approximately 150 persons in attendance, and that approximately \$150.00 was collected. [redacted] chaired the meeting at the start and then Attorney J. B. Stoner spoke. Most of his remarks were of an anti-Jewish and anti-Negro nature. He stated that certain problems in the U.S. cannot be resolved by legislation, such as "Jewish influence on the U.S. Supreme Court". Then speaking of California Attorney General [redacted] he stated that the NSRP was not a military type organization, but that everyone should have the right to own a rifle to protect his own home.

Stoner stated that he had to be back in Virginia by June 29, 1965 for a court case between the NSRP and George Lincoln Rockwell, self-styled commander of the American Nazi Party (see appendix).

AMERICAN NAZI PARTY
OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL
SOCIALISTS, Also Known As The
George Lincoln Rockwell Party

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second "the dissemination of our program and the truth about the Party;" third "organizing the people who have been converted to our propaganda;" and fourth "the attainment of power through the voters of the newly-won masses."

into the third phase. [REDACTED] however, in his opinion,
Rockwell has only completed phase one.

To whom it may concern:

This is written to make inquiry concerning the subject of the above caption in whom this office is very much interested, and because of the excessive penalty of from one year to life imprisonment on an alleged charge of bribery of the arresting officer in a case involving a minor infraction which the court dismissed.

[redacted] has now been in Folsom maximum security prison for nearly five years. It is reported, that [redacted] PREVIOUS ACTIVITIES AS A PUBLISHER HAD BEEN DISSEMINATING OF INFORMATION AGAINST RACE MIXING OF NEGROES AND WHITE PEOPLE and "The last parole officer to review his case was a Negro, who turned down the subject's request for parole." If this is not a matter of discrimination of negroes against whites — to keep him locked up in prison, please give your opinion.

Criminals of all types have been released in much shorter sentences than what the subject has already served. It is hoped that a new hearing or review for parole will be arranged at the earliest possible moment.

Looking for an early reply, and thanking you for past favors, I am, believe me,

Faithfully yours,

RE: NATIONAL STATES RIGHTS
PARTY (NSRP)

A characterization of the National States Rights Party is being set forth in the appendix to this letter-head memorandum.

The July, 1965 issue of "The Thunderbolt", the official newspaper of the NSRP, reflects that it is Issue #69. In the masthead of Issue #69, the mailing address of "The Thunderbolt" is reflected as "P. O. Box 184, Augusta, Ga."

Issue #68, dated June, 1965, of "The Thunderbolt", reflected the mailing address of the newspaper and the National Headquarters of the NSRP to be P. O. Box 783, Birmingham, Alabama, and 1865 Bessemer Road, Birmingham, Alabama, respectively.

Page eight of Issue #69 of "The Thunderbolt" carries an article captioned "NSRP Moves to Augusta, Georgia". This article reflects that the NSRP National Executive Committee had decided to move "The Thunderbolt" newspaper and "Party Headquarters" to Augusta, Georgia. It was also stated that this move would allow the NSRP to have "joint office" with "our Party's general counsel, Lawyer J. B. STONE-, (who is a Georgia-licensed attorney)". The article also stated that for the first time, the NSRP would receive great benefit from having "this outstanding legal mind on the headquarters staff on a full time basis." "His (STONER's) brilliant legal advice and work will be available to the Party 24 hours a day".

The above article continued by stating that the NSRP newspaper had been printed in Georgia for a long time and "trucked each month to Birmingham". It was stated that the move would place the NSRP newspaper closer to the printer and would enable the NSRP to have a much smoother

operation. The article concluded as follows:

"From now on, send all correspondence to our new address:

National States Rights Party
P. O. Box 184
Augusta, Georgia"

On page 12 of Issue #69 of "The Thunderbolt", is an announcement captioned "IMPORTANT ANNOUNCEMENT". Under this heading is a statement "The Thunderbolt Moved To Augusta, Georgia". Immediately thereafter in this announcement is the statement "There will be no August Thunderbolt due to this time consuming move. All subscriptions will be moved up one month. September Issue will reach you immediately after Labor Day".

June 18th, J. B. Stoner conferred with many active San Francisco patriots at a private meeting in the downtown Del Webb's Townhouse Motor Hotel. The turnout was much greater than expected and many extra

chairs had to be brought in to seat all the visitors. After the meeting many of the most active members stayed to lay out plans for the acceleration of NSRP activity in San Francisco. Though the press was not admitted to the meeting itself, Attorney Stoner was interviewed later in the evening.

A source who has furnished reliable information in the past advised on August 7, 1965, that the NSRP meeting featuring [redacted] was held, as scheduled, on August 7, 1965 at 847 South Grand Avenue, Los Angeles. Among the many inflammatory remarks made by [redacted] was the statement that he would shoot any FBI agent who attempted to use his authority on him. The meeting was attended by approximately 100 individuals while, outside the auditorium, about one hundred civil rights pickets from the Congress of Racial Equality picketed. The picket line was orderly and there were no incidents. The picket line dispersed at approximately 11:00 P.M. Source also advised that six members of the American Nazi Party of Los Angeles (See appendix) attended the meeting but made no effort to counter-picket or demonstrate.

~~NATIONAL STATE ARMY APPENDIX~~

AMERICAN NAZI PARTY,
LOS ANGELES, CALIFORNIA (ANPLA)
also known as the American Nazi Party
Western Division (ANPWD)

A source has advised on August 2, 1963, that the American Nazi Party, Los Angeles, California (ANPLA), which branch has also been known as the American Nazi Party, Western Division (ANPWD), came into existence as follows:

In October, 1960 [redacted] was made a member of the American Nazi Party (ANP) by the national headquarters of that group as a result of his leading a picket line protesting the marriage of a Negro to a Caucasian. At that time [redacted] told the Los Angeles Police Department he was in complete accord with the thinking of GEORGE LINCOLN ROCKWELL, National ANP leader. He said he, [redacted] is trying to wake up the people to what is going on; that the Jewish-owned press and radio would not let the people know the truth.

On March 7, 1962, GEORGE LINCOLN ROCKWELL advised a Special Agent of the Federal Bureau of Investigation that [redacted] was one of his leaders in Los Angeles.

At a press conference on May 2, 1963, in Los Angeles, California, [redacted] stated he is a lieutenant in the ANP and the ninth-ranking officer of the organization. He stated he arrived in Los Angeles May 1, 1963, to take charge of the party's headquarters in the Los Angeles area, which has control over party activities in the Southwestern United States.

GEORGE LINCOLN ROCKWELL arrived in Los Angeles on May 6, 1963, and was photographed by the local press with [redacted] ROCKWELL was quoted by the press as saying he came to Los Angeles because of the arrest of five members of the ANP as a result of an altercation at the Shrine Auditorium on April 28, 1963, where a Salute to Israel rally was being held. He was also quoted as stating local headquarters were to be established in California.

LIGHT ONE RED!
CONSPIRACY HAS TWO IMMEDIATE OBJECTIVES:

1. MARTIAL LAW
2. CRAB GUNS

1. IMPOSITION OF MARTIAL LAW—This will mean clamping on Executive Orders No. Office of Emergency Planning, that of SA as a nation will THEN BE NO LONGER just a fantasy of "EXTREMISTS." ACTION: Re-cap the positive concept used in Article 4 and add it to the UN conspiratorial disclosure; the future: The powers usurped under PL 81-217 Disarmament/Security Act and take "Prisoner" status to totally and alone disarm the USA under "international" control. This means occupation. This means military, police and YOUR ARMS; Re-cap the powers usurped by the U.S. Officers, to SWAP your arms, weapons and persons recently captured weapons, MANPOWER and PACIFIC TIME it does just the MEANS BY PROSECUTION and the MARSHES. They ALSO give us CONTROL OF THE FEDERAL GOVERNMENT. ONLY OPERATION to make of the conspiracy in ANY NAVY. EVANGELISM, THIS IS NO DREAM! ... famous list words in PRAGMATIC HARBOR: SAMS HERE

Tech Amendment of US Constitution and the Ninth are your shield.

18. "The enumeration of the Constitution of certain rights shall not be construed to deny or disparage others retained by the people." 19. "The powers not delegated to the U.S. by the Constitution, nor prohibited by it to the States, ARE RESERVED TO THE STATES RESPECTIVELY, OR TO THE PEOPLE."

PEOPLE... YOU & YOU & YOU... AND IT... ARE IN THE STATES and IN THE CONSTITUTION THIS is the FASCINATING fact of the moment! Two County SURRENDER, unless he has been "RETIRED" out of power, CAN MONITOR ALL ARMS BETWEEN IS and it, abolished, but in Fed action, will deprive and DISMISSED and there must be new MARTIAL LAW! And don't let me catch YOU... ready about as LAST, your COUNTY CHURCH-if you haven't voted away your Court for one chosen by County Board and APPOINTED by your Governor, you said well, or will say that NOW, MAKE YOUR PROSECUTOR and YOUR County COURT run to make they can ENFORCE GOD'S LAWS. THEY CAN ASSASSINATE CAPITAL. ENLIGHTENMENT is most stable. And how the ANTICONGRATULATORY BURNY FEAR THAT they all claim there is "NO HIERARCHY" by their OWN CHOICE, the grave is all they can expect. Then they live it up and hang on to all the different heads,

wellness and recreation they can get ENFORCE THE LAWS. MARK THE NATIONAL GOVERNMENT GET BACK ON ITS LIMITED GOV. REINVENTED. All these horrifying things they are doing are not only ANTI-CHRISTIAN. They are usurpations. Americans agree with their selfish sovereignty to a people's choice that for ANTI-CHRISTIAN WORLD DICTATORSHIP, Dile for disarming. Dile for the Free Officers, Dile for control of OUR money, OUR ATOMIC ENERGY and EVERYTHING better done to us beyond the VERY THINGS AUTHORIZED IN THE CONSTITUTION which the national government may be able to do FOR the STATES and FOR the PEOPLE. THIS IS A GREAT OPEN SECRET. Just don't bother to say "That, what about Federal Marshals?" ... they are just people. If they are off-base and are violating the laws... ARREST THEM. EMPLOY, REQUEST, SEE if you want to—but see to it that YOUR COUNTY BOARD AND YOUR STATE LEGISLATURE immediately before ANY OTHER business has resolutions addressed to the President and the national government in all its branches. Tell them what I have just said. Tell them to report, record, withdraw the UN CHARTER, Disarmament Act and ALL Executive Orders and related actions of all kinds, restore YOUR sovereignty to YOU. State that YOUR COUNTY and STATE hereby RECAPTURE THEIR sovereignty and all control powers and will hold them henceforth that YOUR COUNTY and STATE will stay as such henceforth. RECAPTURE their power to be received IN THE PEOPLE. That they will not permit advancement and will take great steps to PREVENT THIS. THE QUESTION IS: WHICH STATE AND WHICH COUNTY WILL BE FIRST? YOU KNOW: STUDY HISTORIC DOCUMENTS NO MORE. THIS IS YOUR BALLYING POINT WITHIN THE CONSTITUTION. YOU MAY HAVE A WEEK OR TWO LEFT, GO, GO.

CRAB GUNS. This time "they" will do all get PREVENT THE, EACH OF ANY GUN LAWS, NATIONAL, STATE, LOCAL. THEY WILL ALL BE THERE. WATCH THEM AND STOP IT. In any case a registered weapon is lost and so are you. Obviously YOU WILL NEED OUR WEAPONS, NEVER REGISTER OR TURN UP YOUR WEAPONS.

THE CONSPIRACY intends for us to be OCCUPIED by MONSIEUR AND CHURCH HORDERS THAT ARE NOW OPPOSING ALASKA. BE WARNED. THIS CAN HAPPEN HERE.

MARK YOUR COUNTY BOARD AND YOUR LEGISLATURE PASS THESE RESOLUTIONS, GET PEOPLE TO SIGN PETITIONS AND STATEMENTS IN THE SAME FORM. MILLIONS DO NOT YET KNOW ANYTHING AT ALL ABOUT THIS.

"THIS IS YOUR LIFE" ... or DEATH—YOU HAVE NO CHOICE—MOVE.

FORM AND FILE. BY YOUR STATE GUARD, DEPARTMENT OF PROTECTION, THE NEXT FEW WEEKS ARE VITAL. PRAY AND WORK. YOUR GUARD AND RESERVE WILL BE UNFOLDING UNLESS EACH MAN HAS ARMS, GET IT. IF YOU RADIOS HAVE BEEN TURNED IN AS MANY HAVE, GET

MAN NITS IN OPERATION TO REPLACE THEM. KEEP RESERVES OF UNITS READY ON CALL. THE COLDEST WHETHER OF THE NEXT FEW WEEKS IS THE TIME THEY CAN DO MOST DAMAGE BY STARTING THE RIOTS AND BLACK REVOLUTION THE ENTIRE TAKES ABOUT BY DAMAGING UTILITIES, WATER GAS, ELECTRICITY AND THEN BY STARTING INVASION. TO GOD HOLDS HIS HAND A FEW MORE WEEKS OR EVEN MONTHS... STAY WITH IT... THE ENEMY WILL STRIKE... SOONER OR LATER, IT LOOKS LIKE NOW, NOW.

Martha Luther KING has RED FRONT leaders of the YIP gangster AND OPERATED NAACP... ARTHUR SPINGARN who old man started NAACP is NOW with president. Even the blacks don't know that, not many of them. They will do as usual together along with a lot of poor religious and recent methods. You and they can't stop it. Just like the CONGO where thousands of blacks are being slaughtered by BLACKS AND THE MARSHES WHO TRAINED THEM IN IRAQI, AND IN AFRICA TOO. You know ARMY when you go to go, you go to go and you and YOUR PRIME suckers all these poor underprivileged. To get back to the "Doctor" which doctor I guess King is against as against the black revolution would come to "Full Doctor" about the end of June or so, YES at the end, NOW.

You know "they" studied that and then said "the black is more US and more OUR CHILDREN" tried to convince THAT, say YOU THERE seems to be get the blacks all out in "you, say you know" The police will all be in motion. Probably the blacks and all of their secret reserves, THEN if a revolution starts go on. They will take kids or go to parking lots or even take them and CAUTIONS and condemnations their original points. They will also do some of that even the international investigators call "surrender" attacks. This is the use of "TERROR" like we saw it in Algeria, Viet Nam, Zaire, CONGO — every place THEY have now taken to sell THEIR children. IT IS NOT repeat NOT, IS it and you SENSIBILITIES. It is a planned military operation of combat patrols who are drilled, disciplined, trained elites. Purpose is to show that police cannot defend people against the God of terror which is TRUE POLICE MUST KNOW THIS. NO FAULT OF THEIRS, IT TAKES MILITARY TRAINING, PLANNING, DRILL, AND GOVERNMENT ACTION BY COVERT PATROLS TO MEET IT WITH TOTAL FORCE APPLIED. Goodbye... my loving back. Find me, I'll see you. Good 'em. GET THEIR SYMPATHIES IN FOR INTERVIEWS AND TRA THE TOP DOZEN AND THE NEXT DOZEN AND THE NEXT DOZEN WILL DO A LOT OF GOOD. THE TAKES THEY WILL TELL TO BAGER EARS, BE SURE TO GOV FROM THIS OPPORTUNITY.

One question seems to come up... WHEN WILL THEY GET THEIR PROPS?

'Reds Just Waiting,' Ex-G-Man Warns

SOUTH BEND, Ind. (UPI)—Armand Penha, New Bedford, Mass., a former FBI undercover agent who was a Communist party member for eight years, said last night that Communists "could take over our nation tomorrow" if they wanted to do so.

Penha said on a radio forum that "this is a fact that is well known though never publicized."

"Our government knows it," he said, "and our people do not. They can take over any institution, educational, defense plants, our missile launching pads and frustrate the United States completely from the inside in 24 hours," he said.

Penha said the Communist conspiracy today "is far more serious a threat than has ever been recognized against our civilization."

"There is absolutely nothing that the Communists will not do in order to reach their goal of world domination," he said.

Excerpt 1 from Farmers Liberty League, New Sp., North Dakota 1/4/64 issue:

Orville Freeman and H. H. Humphrey Saluters! Communism is but a "cover-up" word "coined" and used by Reds to keep intended victims from finding out, 'till too late, that it is Jewocracy in action!

Rabbi Stephen S. Wise

"Some call it Communism;
I call it Judaism."

A JEWISH SALUTE (The Clenched Fist)

When Jews celebrate their terrible day of vengeance, which they call Purim and which commemorates the slaughter of 100,000 non-Jews, they make together the salute of the clenched fist.

That symbolic salute, ritual as well as racial, is the counterpart of the Christian sign of the Cross and the salute of friendship of old Latin and Mexican tradition fight arm round with open hand, meaning "I salute you in loyal friendship, hiding no weapon in my hand."

To the socialist and communist Internationalists founded by them and from which they expect world political power, Jagger has inspired the Jewish salute of the clenched fist, the salute of vengeance, enemy to civilization and to the White Race. And among the peoples of White Race can be found a great many rights and dignities to believe in overthrowing the Jewish salute of Jewish vengeance and domination. How the Jews must laugh when they see us using "the Christianized and polished" servants of their cause marching, thinking, talking, acting as if they were of the tribe!

How to handle Red Secret Police The FBI Is Using The Exact Tactics As Its MVD Counterpart in Russia

By Attorney J. B. Stonor

There is a Federal law against giving false information to the FBI. Even if you tell them the whole truth, the FBI frame artists can falsely accuse you of lying, prosecute you and send you to Federal prison. Therefore, it is not safe for you to talk to FBI agents or answer any of their questions.

Sometimes when the FBI starts questioning a patriot, they tell him that anything he says may be used against him. They will try to do just that, so don't answer. Don't help these slimy race mixers frame you, yourself, and don't help them frame any other White Christian. Even innocent sounding questions are dangerous, because they are trick questions.

Keep your door latched, ask if they have a warrant, & to produce it. If they have no warrant, tell the mangy dogs to get off your property and never come back. Remember, if you answer any FBI questions, you are putting your own liberty in jeopardy and may end up in prison as the victim of a Jew B. I. frame-up. So, tell them nothing. If they have a warrant, act as a deaf mute, except to demand to see your lawyer. George Bright told the FBI that he was with his girl friend when the synagogue exploded, so they put her in an insane asylum so she couldn't testify at his first trial. They only want to know your name so they can illegally destroy it, SO TELL THEM NOTHING!

FBI agents are the Jew-controlled shock troops of integration. These criminals are working to destroy our White Race. Any person who gives information to the FBI is guilty of giving aid and comfort to the enemies of the United States. DON'T BE A TRAITOR!

Soviet Secret Police Flourish

BY ROBERT S. ALLEN and PAUL SCOTT

The strategic role of the KGB, the Soviet secret police, in the forced "retirement" of Khrushchev spotlights the growing power of this worldwide Communist organization and the men who control its covert operations.

Headed by Vladimir Senichastgyy, a virtual unknown, the powerful 500,000-man secret police force operates under direct orders from Mikhail Suslov, the Soviet Communist Party's chief ideologist, and Nikolai Podgorny, head of the party's internal security commission.

This Suslov-Podgorny control over the KGB gives the two Communist leaders temporary balance-of-power over Leonid Brezhnev, first secretary of the party, who has the public place of honor in the Kremlin's new ruling cabal.

★

The two leaders' power includes authority over key Soviet military units, all Communist parties abroad, Russia's internal police force, Russian diplomats abroad, and the vast international Communist espionage and intelligence network.

According to one U.S. intelligence estimate, the KGB now has agents operating in every major Western country; several hundred have been placed in strategic positions in these governments.

power ever since Khrushchev cracked down on Marshal Zhukov in the late 1950s when the latter was minister of defense.

In forcing the popular Marshal Zhukov to retire, Khrushchev permitted the KGB to extend its power over the GRU (Soviet military intelligence espionage organization), because he

Khrushchev

feared the GRU was being used to train persons to assassinate him.

This unpublished story is detailed in a national intelligence estimate, kept tightly locked in the Central Intelligence Agency's files, as follows:

"During the year that he was chief of the GRU, beginning in October 1956, Col. Gen. Sergey Matveyevich Shtemenko established a sabotage-diversionist school near Tula or Tamboc, with an enrollment of 200 specialists who

shchev had Zhukov retired from active duty and Shtemenko demoted to the position of deputy commander of a military district. Officially Shtemenko was censured by the political apparatus for having conspired with Zhukov to establish the school without the permission of the Central Committee.

"At the time of its formation, the school reportedly was closely affiliated with, if not subordinated to, the GRU operations. Despite Shtemenko's ouster, the school has continued to operate and is now under the KGB, which took over direction of the GRU operation."

★

"The intelligence estimate reveals that the "graduates" of this espionage school are given assignments throughout the world as well as within the USSR, stating:

"These graduates are assigned to sabotage-espionage groups located in the West, and Communist satellite countries as well as the USSR. The school's new operations under the KGB reflect an amendment in Soviet espionage-military doctrine. Executive action by those forces may no longer be considered as having tactical application and instead could now be considered in effect one of the strategic implements avail-

Comment.— This is only half of the story. The remaining untold half is that U.S.A. was seized in 1945 and placed under U.N. (Red controlled) Rule. Even today there are some U.S.A. Citizens who are not aware of this truth. Their ignorance may be due to the (mis) Education they receive in our schools and churches; due to "Managed (one-sided) News"; the use of mind-channeling drugs, chemicals and "Subliminal Perception" or other techniques of "Confidence-Game-Slickers" who dangle the bait of "Something-for-Nothing" before the eyes of intended victims whom they scheme to rob of all private property and heritages.

REMEMBER OUR AMERICAN HERITAGE Persecuted for Your Dietary Habits!

In the April issue of Jewish Life, Isaac Levin, representative of the Agudat Israel World Organization (which enjoys consultative status with UNESCO) reports on how he was able to get a sort of Declaration of Dietary Rights approved by that world body. The masterpiece reads like this:

"No one shall be prevented from observing the dietary practices prescribed by his religion or belief. The members of a religion or belief shall not be prevented from acquiring or producing all materials and objects necessary for the performance or observance of prescribed rituals or practices. Where the Government controls the means of production and distribution, it shall make such materials or objects, or the means of producing them, available to the members of the religion or belief concerned."

Now, it seems that down in Nigeria, twenty-six men and a few priests are being held for murder because they killed three men and ate two of them (a doubt eating the other down for future dietary requirements).

MINUTE MEN

'Citizens First'

And it must occur to UNESCO that these men simply cannot be charged with murder, in view of UNESCO's own Declaration of Dietary Rights.

In the letter to UNESCO, or, instead of persecuting them, the Nigerian government must be forced to supply them with new facilities according to UNESCO, that is.

Anti-Christ Religion

JEW RELIGION EXPOSED

FROM THE "TANACH" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBI IN THE SYNAGOGUES. WE FIND THAT JESUS IS REFERRED TO AS:

an Antichrist, or Ignorant child, a fool, liar, deceiver, the bastard son of a harlot, who set up His churches as whorehouses with harlots inside to get male customers drunk with their disrobe and worship the "IDOL" Jesus as in East sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught.

Editor's Note: A description of the Five deaths is printed in our copy but we are forced to omit it as we have too much respect for our readers and besides there is the matter of Uncle Sam's post-al laws.

COMMUNISM-SOCIALISM is only the Tanachic code in action. It is additionally ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line from all the centuries from the PHARISEES. Not is it any accident that Ben David Saylor started in the flesh and from the Spirit that the Pharisees were of the devil (John 8:12-14; Luke 11; Matt. 23; Rev. 2:9, 20) saying "I know the blasphemy of them which say they are Jews and are not but do the and are of the synagogue of Satan" (Rev. 2:9; 3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him!

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass land and sea to make one penny, and when ye have made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY permits innocent children to Moloch, did not gain mastery over Judas until the Sadducees, sticklers for Scripture and against Pharisee "Tradition" which nullifies the Bible, were overwhelmed after the Bible believing Jews accepted Christ and left the synagogue. Pharisees then took over and completely remodeled "Judaism" on atom-antic lines. (Matt. 23:21)

TREASON, BOLD, INSOLENT, UNASHAMED

Using unlimited billions of tax exempt resources our State Legislatures have been induced to enact what is miscalled Mental Health Laws that permit rail-roading of sane men and women into insane wards to silence their Christian and Patriotic testimony against what is being done to destroy this, earth's greatest and best government, Time's highest and best civilization.

These laws openly violate every Constitutional right of our people and allow able and responsible persons to be incarcerated and "Treated" on the word of a single person, without any pretense of a legal hearing. The attempt to completely disarm us is a logical move from the enemy in power, as they fear the wrath of a betrayed People and intend to render us entirely helpless to protect homes and loved ones.

This is the rise of the long foretold Anti-Christ Rule of Bible prophesy and all those behind it are Anti-Christ to the core. The pattern for mongrelizing us by the raping of white women by Negroes was initiated under Sir Ike, our one-twelfth American Commander-in-Chief in Germany when 4,000 German women and little girls from the best families were held for four days in the tunnel and raped by French Negroes in U. S. uniforms.

If the Senate is to take as treasonable a stand as did the House, and pass the diabolical UNCivil Rights act there will be no security for any woman in our land. With our homes stripped of all defense materials, as planned they will be subjected to brute instincts of the most lawless elements of the "Blacks." A sample of that is going on in Washington, D. C. right now.

The men who wrote the Emergency Powers Act, The Arms Control and Disarmament Act and this vicious and unconstitutional UNCivil Rights Act should all be hanged as Traitors, Enemies of God and man. These greed mad, criminally insane forces are now in seats-of-great-power in all governments and becoming bolder and more insolent hourly.

Our Scientists have been in close touch with the Red Scientists and exchanging information with them from the very start. Both the "Know-how" and the

materials for making H-Bombs were sent them on orders from the White House, while the plates for printing our money, with plane loads of our secret papers and inks were sent them to make sure they were fully financed -- and no one has been punished for that and other treasons.

We have undergone thirty years of planned, bi-partisan treason, thirty years of planned bi-partisan misgovernment while the CFR-BAC-Bilderburgers-PSB sit on the lid and direct the actions and nominations of both old parties. You haven't read any of this in the newspapers?

Well do you think these Invaders spent billions upon billions buying newspapers, radio and TV stations just to let you know how they planned to rather violently disestablish this United States? A RED world is in the making. An Anti-Christ Rule of Earth has been planned and is being formed. The Ten King rule of the Gomberg map and Plan is the same as foretold in Revelations, Chapter 17.

Now, Mr. "Sleepy Head," stick your head under cover and go back to sleep and forget it all. Tomorrow you may be behind barbed wire and carefully kept in with machine guns, as are the unhappy east German Christians, thanks to Sir Ike, our one-twelfth American Commander-in-Chief, who was so wonderfully rewarded for what he did over there.
